SUBJECT: Access to State of Mississippi FFIS Subscription

---

The State of Mississippi obtained a subscription to FFIS during the implementation period for the American Recovery and Reinvestment Act. This subscription is a state-wide subscription and can be shared with all agencies per the FFIS subscription rules with the exception of higher education. Executive and Legislative agencies have found the information useful regarding federal activity on funding, grant opportunities, as well as the any breaking information on related activities in the Congress.

Some state agencies now have the FFIS postings "pushed" to them as the postings are received by the State. If you are interested in being added to this list, please email Sharon Polzin at [polzins@dfa.state.ms.us](mailto:polzins@dfa.state.ms.us) and she will add you to the distribution list and provide you with the State's user id and password to access more detailed information from the FFIS website.

NOTE: This information is not to be shared outside of your agency (media, lobbyists, higher education entities) as it will void the statewide subscription.

Please provide the following information to be added to the list: Name, Title, Agency, Email Address.

We request that you limit the distribution requests to no more than three individuals per agency. The link to the website is <http://www.ffis.org/>.

There is no cost for agency participation.

Please contact Sharon Polzin at 601.576.1147 should you have questions.
