NOTICE OF INTENT TO PURCHASE A SOLE SOURCE COMMODITY

Sole Source Notice for COOLVIEW Storm Windows and Cockpit Windows for King Air 350 Aircraft.

The Department of Finance and Administration, Office of Air Transport, is seeking to purchase 4 (four) new COOLVIEW windows for a King Air 350 aircraft. The COOLVIEW Windows Kit KA123CV70KIT includes:

- 1 ea. LA101-420122-59-70 L/H Storm Window (drilled) w/ Secondary Seal
- 1 ea. LA101-420122-60-70 R/H Storm Window (drilled) w/Secondary Seal
- 1 ea. LA101-420081-9-70 L/H Cockpit Side "D" Window Anti-Fog Std
- 1 ea. LA101-420081-10-70 R/H Cockpit Side "D" Window Anti-Fog Std

These windows are designed with an advanced thin metallic composite barrier system specifically developed for acrylic transparencies. Independent testing has proven COOLVIEW aircraft windows will block up to 62% of the IR (Infrared Ray) or heat coming through the window, resulting in a much cooler cabin. COOLVIEW windows also block virtually all of the UVs (Ultraviolet Rays).

Lee Aerospace, Inc. is the only manufacturer for the King Air COOLVIEW Windows and only domestic distributor.

This information is located on the MS Procurement Portal (MS Procurement Opportunity Contract Search) located at [www.mspsc.com](http://www.mspsc.com). This information is also posted on the DFA website at [www.dfa.ms.gov](http://www.dfa.ms.gov).

If you have any questions and/or objections to this procurement being a sole source, please contact, Brandon Fons, State Aviation Administrator, at 601-939-3055, or 601-500-1027, or [Brandon.fons@dfa.ms.gov](mailto:Brandon.fons@dfa.ms.gov).
