If SRM Manager Approver: Manager Approval Limit: [   ]

-Manager approval limit should be the maximum approval authority for SRM. Manager Approvals are driven by your agency's organizational structure. Approval limit values may be set to $250, $500, $2,000, $2,500, $5,000, $10,000, $25,000, $50,000, $100,000, "Final Approver", or "N/A". **The manager approval needs to be hierarchical in nature to work properly in SRM; this means that a manager's manager should have a higher approval amount than their reporting manager.**

If SRM Fiscal Approver: Amount Requiring Fiscal Approval: [   ]

Document Type: ☐ Shopping Carts   ☐ Purchase Orders

-Fiscal Approval may be used in addition to or in lieu of Manager Approval. Fiscal Approval amount should be the minimum dollar amount requiring approval. Must provide specific Cost Center(s) or enter an * if Fiscal Approval is for all cost centers.
