

# MAGIC Information Area

A MAGIC Information area has been added to the MAGIC home screen. The area will be used for posting important MAGIC news and communications such as: scheduled system maintenance, links to new or updated documentation, and additional MAGIC information. You should be able to see this information area the next time you log into MAGIC.

Effective **August 1, 2015**, MAGIC information will **only** be sent via MASH to users that request to be added to the email group. If you do not request to receive the MAGIC MASH emails you will only receive the MAGIC information in the information area within MAGIC. To be added to the email list, please send an email to [mash@dfa.ms.gov](mailto:mash@dfa.ms.gov) with "MAGIC Email Request" in the subject line. **You will only need to send one email to be added to the email group** and will receive the updates via email from that point forward.

Please note that all users will continue to receive the MAGIC MASH emails until August 1, 2015 when the new policy goes into effect.

If you are a SPAHRS user, you will continue to receive SPAHRS information via MASH email and do **not** need to sign up for SPAHRS related emails. In addition, SPAHRS information will continue to be posted on the SPAHRS Banner Screen.

We hope you like this new feature of MAGIC and that it provides you an easier way to receive the latest MAGIC information.
