	Question	Answer
1	In the understanding that the current contract for this job and the current charges being administered for that contract are public record, would it be possible for us to be supplied with a copy of that contract and its cost(s).	This is the first Invitation for Bid for Temporary Staffing Services issued by the Mississippi Personal Service Contract Review Board (hereafter "PSCRB"). Accordingly, there are no current contracts for this job or charges being administered. Please note that the IFB for Temporary Staffing Services is to establish a preapproved list of vendors for use by state agencies and other entities under the purview of the PSCRB (hereafter "agencies"). The PSCRB will not contract with the vendors; contracts will be between the vendors and the agencies using the preapproved list
2	Would you provide a list of the incumbent providers for each region with current pricing information for each staffing category listed in Section 5.1 or its equivalent under the existing contract? 3	Would you provide a breakdown by dollar volume of revenue spent on the incumbent contracts in each category listed in Section 5.1 in each region as shown on Attachment A for calendar years 2010 and 2011? Alternatively providing that information by fiscal year (FY 2009 and 2010) would be acceptable if that is easier for MSPB to generate.
