Re: Lease #725-173-25B

I would like to respectfully request permission to award lease #725-173-25B to Goodland Properties, LLC in West Helena, AR. Mississippi Department of Rehabilitation Services advertised for available space in Olive Branch, MS to move some of our employees into because we are currently out of space in this location. We received two proposals. After reviewing both proposals, Goodland Properties, LLC was chosen because it was \$2.70 less than James R. Seay, and it is closer to our other office in Olive Branch.

Your favorable consideration in this matter would be greatly appreciated.

Yours truly,
