On behalf of the State and School Employees Health Insurance Management Board (Board), the Mississippi Department of Finance and Administration's Office of Insurance (DFA-OI) conducted a Request for Proposal (RFP) solicitation to secure a vendor to provide pharmacy benefit management services to assist the Board in its management of the State and School Employees' Health Insurance Plan (Plan). The unabridged RFP as amended, including terms, conditions, scope of services and other matters anticipated to be incorporated into the resulting contract, may be accessed at <http://www.dfa.ms.gov/bid-rfp-notices/>.

With the goal of awarding a four-year contract to include a one-year optional renewal, DFA-OI adhered to the applicable provisions of the *Public Procurement Review Board, Office of Personal Service Contract Review Rules and Regulations*, as well as agency guidelines, to evaluate the six proposals received to ensure that each received a comprehensive, fair, and impartial evaluation. With the assistance of the Board's consultant, Segal Consulting, an internal evaluation committee utilized consensus scoring to evaluate the proposals using a three-step process consisting of Compliance, Analysis, and Finalist phases. Evaluation factors and their respective weighting included Cost – 50%, Technical – 35%, and Management – 15%. A detailed description of the evaluation process is provided in the RFP document.

As a result of the evaluation process described herein, the proposals are ranked by vendor in order of final score, highest to lowest, as follows:

1. CaremarkPCS Health, L.L.C. ("CVS Health")
2. Express Scripts, Inc.
3. OptumRx, Inc.
4. MedImpact Healthcare Systems, Inc.

Subject to successful negotiations and final approval by the Public Procurement Review Board, a four-year plus one contract is expected to be executed with CVS Health, with services to commence effective January 1, 2021, at a contract value estimated not to exceed \$13,000,000 for the initial four-year term.
