

## **Filing claims for Over-the-Counter (OTC), at-home COVID-19 tests**

If you purchased an at-home COVID-19 test on or after January 15, 2022, you may be eligible for reimbursement. As long as the test is used to diagnose a COVID-19 infection for yourself or a covered family member, you can request reimbursement through CVS Caremark. Claims for OTC at-home COVID-19 tests should only be filed to CVS Caremark. Please click on the [CVS Caremark Pharmacy Benefits](#) link on the left for more information. These claims should not be filed to Blue Cross and Blue Shield of Mississippi.
