

Fuelman/Fleet Access Card Contract Services

Effective September 1, 2023, per the Fuelman Fleet Access Card Services contract, OPIS rack prices will not apply at the locations below. The following discounts will be applied to retail prices. Please be mindful when fueling at these locations.

Product	Discounts at Pilot/Flying J and Love's	Chevron/Texaco Exxon/Mobil Murphy USA
Unleaded Regular	\$0.050	\$0.050
Mid-Grade Unleaded	\$0.050	\$0.050
Premium Unleaded	\$0.050	\$0.050
Diesel Fuel	\$0.150	\$0.150
DEF Dispensed	\$0.02	\$0.02

Additionally, pricing of Conventional, No Ethanol Gasoline products (currently product codes 71, 72, 73 in the Fuelman system) shall NOT be based upon cost-plus and shall always be priced based on the Station's Retail Price less applicable exempt tax rates, less the following discounts Fleetcor hereby offers below:

Unleaded Conventional Regular: \$0.05
Unleaded Conventional Plus/Mid: \$0.05
Unleaded Conventional Premium: \$0.05

When determining the difference on Fleet Management report or statement provided by Fuelman, see codes below.

Product	Conventional Gasoline Code on statement (No Ethanol)	Ethanol based Code on statement
Unleaded Regular Gasoline	UNL	U-E10
Unleaded Mid-Grade/Plus	MID	M-E10
Unleaded Premium	PREM	P- E10
