**Action:** A motion was made by Mr. Belk to approve per diem and expenses for the May 2, 2018 meeting and for any additional expenses incurred prior to the June 6, 2018 meeting. The motion was seconded by Mr. Morehead and unanimously approved by all members present.

#### IV. DFA Office of Purchasing, Travel and Fleet Management (OPTFM)

##### A. Petitions for Relief from Reverse Auction

###### 1. Governing Authorities

*The following exemption requests were delayed due to technical difficulties with teleconferencing (Item IV.A.1.i (Jackson County Utility Authority), Item IV.A.1.iii (City of Tupelo), and Items IV.A.1.iv through vii, (Harrison County)). These items were presented after the presentation and approval of Item IV.A.2.v.*

**i. Requesting Governing Authority:** Jackson County Utility Authority

**Supplier:** Consolidated Pipe and Supply

**Term:** One year with option to renew two additional one year periods

**Total Value:** To Be Determined

**Summary of Request:** Jackson County Utility Authority has requested an exemption from using the Reverse Auction process for the purchase of water meters. They are requesting the exemption because there is only one vendor that makes meters compatible with the software used. Neptune is the manufacturer of the meters. They do not sell direct and their distributors are set up by territory, so there will be only one vendor that can bid. The Authority feels the competitive sealed bid process should be utilized to procure the water meters.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Action:** A motion was made by Ms. Wray to approve the staff recommendation as presented. The motion was seconded by Ms. Malatesta and approved by all members present and voting. Mr. Belk abstained.

**ii. Requesting Governing Authority:** Rankin County School District

**Supplier:** Unknown-N/A

**Term:** One year

**Total Value:** \$126,000.00

**Summary of Request:** Rankin County School District is requesting an exemption from the Reverse Auction process for the purchase of snacks for their after school Frontiers program. Bids have been advertised for the last six years and only one response has been submitted each year. Since only one bid has been submitted for the last six years, Rankin County School District feels it would be better to use competitive sealed bids for this procurement.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Action:** A motion was made by Ms. Malatesta to approve the staff recommendation as presented. The motion was seconded by Mr. Morehead and unanimously approved by all members present.

iii. **Requesting Governing Authority:** City of Tupelo

**Supplier:** Unknown-N/A

**Term:** Twelve months

**Total Value:** \$55,000.00

**Summary of Request:** The City of Tupelo is requesting an exemption from the Reverse Auction process for the purchase of rip rap, surge, gabion stone, crusher run, manufactured sand and clay gravel. If the primary vendor cannot supply and deliver the product, the alternate vendor would be used. According to the Reverse Auction vendor contacted by the City, it would take a tremendous amount of time and effort to set up this type of auction and the vendor recommended using competitive sealed bidding for the procurements.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Action:** A motion was made by Mr. Belk to disapprove the staff recommendation as presented. The motion died due to the lack of a second. A motion was then made by Ms. Wray to approve the staff recommendation as presented. The motion was seconded by Mr. Morehead and unanimously approved by all members present.

iv. **Requesting Governing Authority:** Harrison County

**Supplier:** Unknown-N/A

**Term:** Twelve months

**Total Value:** \$ 62,000.00

**Summary of Request:** Harrison County is requesting an exemption from the Reverse Auction process for the purchase of ready mix concrete. The County has received two bids the last five annual bids, in which sealed bids and Reverse Auction has been used. The County feels it would be better to use competitive sealed bids for this procurement, as the County regularly uses Reverse Auctions and receives higher prices when the number of suppliers is limited.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Action:** A motion was made by Mr. Morehead to approve the staff recommendation as presented. The motion was seconded by Ms. Malatesta and unanimously approved by all members present and voting. Mr. Belk abstained.

v. **Requesting Governing Authority:** Harrison County  
**Supplier:** Unknown-N/A  
**Term:** Twelve months  
**Total Value:** \$422,000 for micro surface, \$59,000 for scrub seal  
**Summary of Request:** Harrison County is requesting an exemption from the Reverse Auction process for the purchase of scrub seal, slurry seal and micro surface seal, which are used in pavement restoration. Two bidders have responded to the last three annual bids. The County feels it would be better to use competitive sealed bids for this procurement, as the County regularly uses Reverse Auctions and receives higher prices when the number of suppliers is limited.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Action:** A motion was made by Mr. Morehead to approve the staff recommendation as presented. The motion was seconded by Ms. Wray and unanimously approved by all members present and voting. Mr. Belk abstained.

*Items IV.A.1.vi and IV.A.1.vii were presented together.*

vi. **Requesting Governing Authority:** Harrison County  
**Supplier:** Unknown-N/A  
**Term:** Twelve months  
**Total Value:** \$93,000.00  
**Summary of Request:** Harrison County is requesting an exemption from the Reverse Auction process for the purchase of corrugated polyethylene culvert pipe. Reverse Auction was used in 2015 and 2016 with three bidders. Only two bidders responded in the last two annual bids. The County feels it would be better to use competitive sealed bids for this procurement, as the County regularly uses Reverse Auctions and receives higher prices when the number of suppliers is limited.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

vii. **Requesting Governing Authority:** Harrison County  
**Supplier:** Unknown-N/A  
**Term:** Twelve months  
**Total Value:** \$103,000.00  
**Summary of Request:** Harrison County is requesting an exemption from the Reverse Auction process for the purchase of pesticides and chemicals. Only two bidders have responded to the last three annual bids. The County feels it would be better to use

competitive sealed bids for this procurement, as the County regularly uses Reverse Auctions and receives higher prices when the number of suppliers is limited.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Action:** A motion was made by Mr. Morehead to approve the staff recommendations for Items IV.A.1.vi and IV.A.1.vii as presented. The motion was seconded by Ms. Malatesta and unanimously approved by all members present and voting. Mr. Belk abstained.

## 2. State Agencies

### i. Requesting State Agency: Mississippi Forestry Commission

**Supplier:** Unknown-N/A

**Contract #:** 3180000312

**Term:** One time purchase

**Total Value:** \$ 450,000.00

**Summary of Request:** The Mississippi Forestry Commission (MFC) is requesting an exemption from the Reverse Auction process for the purchase of a used airplane. The year model should be between 1998 and 2007, single engine, fixed gear, high wing, all metal, no less than 300 HP, with no more than 1000 hours since major overhaul, IFR certified with certified GPS avionics package and equipped with a mode C transponder (ADSB upgrade preferred). MFC feels the aircraft market is small, with individual sellers that will not take the time to participate in a Reverse Auction, because they sell so quickly on the open market. Accordingly, MFC feels it would be better to use the competitive sealed bid process for this procurement.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Action:** A motion was made by Mr. Morehead to approve the staff recommendation as presented. The motion was seconded by Mr. Belk and unanimously approved by all members present.

### ii. Requesting State Agency: Mississippi Forestry Commission

**Supplier:** Unknown-N/A

**Contract #:** 3180000323

**Term:** One time purchase

**Total Value:** \$ 350,000.00

**Summary of Request:** The Mississippi Forestry Commission (MFC) is requesting an exemption from the Reverse Auction process for the purchase of a used airplane. The year model should be between 1998 and 2007, single engine fixed gear, high wing, all metal, no

less than 230 HP, no more than 1000 hours since major overhaul, IFR certified with certified GPS avionics package and equipped with a mode C transponder (ADSB upgrade preferred). MFC feels the aircraft market is small, with individual sellers that will not take the time to participate in a Reverse Auction, because they sell so quickly on the open market. MFC feels it would be better to use competitive sealed bid process for these procurements.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Action:** A motion was made by Mr. Morehead to approve the staff recommendation as presented. The motion was seconded by Ms. Malatesta and unanimously approved by all members present.

*Items IV.A.2.iii, IV.A.2.iv, and IV.A.2.v were presented together.*

**iii. Requesting State Agency:** Mississippi Department of Transportation

**Supplier:** Unknown-N/A

**Contract #:** 3180000304

**Term:** Three (3) years

**Total Value:** \$10,000,000.00

**Summary of Request:** The Mississippi Department of Transportation (MDOT) is requesting an exemption from the Reverse Auction process for the purchase of hot and cold mix asphalt. Hot and cold asphalt mix are used by MDOT road maintenance crews at various locations throughout the state. The location of the work, type of asphalt mix needed, and plants producing at the time of work must be known to determine lowest cost. Additionally, since hot mix must be used within a short time period, only plants within a certain geographical range of the work location can be considered when determining lowest cost. For these reasons, MDOT needs all locations and all vendors to bid, even if their price is higher than another vendor because MDOT awards to all vendors and makes determination at time of purchase. Since the commodity procurements are not awarded based on a single award to the lowest bid for the line item, it is not a good candidate for the Reverse Auction process. MDOT requests to utilize a competitive sealed bid procurement process to promote open competition.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**iv. Requesting State Agency:** Mississippi Department of Transportation

**Supplier:** Unknown-N/A

**Contract #:** 3180000341

**Term:** Three (3) years

**Total Value:** \$2,250,000.00

**Summary of Request:** The Mississippi Department of Transportation (MDOT) has requested

an exemption from using the Reverse Auction process for the purchase of crushed aggregates (limestone). Crushed aggregates are used by MDOT road maintenance crews at various locations throughout the state along with certified bituminous to chip seal and for shoulder repairs. Large (rip rap) is used for erosion control at drainage structures and bridge sites. Because of seasonal use, there can be an availability issue since MDOT competes for product with cities, counties, and asphalt plants. Availability and location of work must be known to determine the lowest cost. Due to availability and location, MDOT needs to award to all vendors even if their price is higher than another vendor because availability and transportation cost at the time of the purchase is a factor. Since the commodity procurements are not awarded based on a single award to the lowest bid for the line item, it is not a good candidate for the Reverse Auction process. MDOT requests to utilize a competitive sealed bid procurement process to promote open competition.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

v. **Requesting State Agency:** Mississippi Department of Transportation

**Supplier:** Unknown-N/A

**Contract #:** 3180000306

**Term:** Three (3) years

**Total Value:** \$3,000,000.00

**Summary of Request:** The Mississippi Department of Transportation (MDOT) has requested an exemption from using the Reverse Auction process for the purchase of certified bituminous (liquid asphalt). Certified bituminous is used by MDOT road maintenance crews at various locations throughout the state prior to asphalt, along with aggregates to chip seal and to patch pot holes. The location of the work, type of mix needed, and availability at the time of work must be known to determine lowest cost. The pricing includes transportation and is awarded to the lowest three vendors by line item (mix) per county. Due to availability, MDOT needs to award to more than one vendor per county even if the price is higher than another vendor. Since the commodity procurements are not awarded based on a single award to the lowest bid for the line item, it is not a good candidate for the Reverse Auction process. MDOT requests to utilize a competitive sealed bid procurement process to promote open competition.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Action:** A motion was made by Mr. Morehead to approve the staff recommendations for Items IV.A.2.iii, IV.A.2.iv, and IV.A.2.v as presented. The motion was seconded by Mr. Belk and unanimously approved by all members present.

vi. **Requesting State Agency:** Mississippi Department of Marine Resources

**Supplier:** Unknown-N/A

**Contract #:** 3180000353

**Term:** One Time Purchase

**Total Value:** \$250,000.00

**Summary of Request:** The Mississippi Department of Marine Resources (MDMR) has requested an exemption from using the Reverse Auction process for the purchase of 32-37 foot fiberglass stepped hull vessel. MDMR has bid the vessel two times and received one bid both times. They have advertised for Reverse Auction and received no responses. The federal funding for this vessel will expire June 30, 2018. MDMR requests to utilize a competitive sealed bid procurement process to procure the vessel before funding expires.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Action:** A motion was made by Ms. Wray to approve the staff recommendation as presented. The motion was seconded by Mr. Morehead and unanimously approved by all members present.

*A ten-minute recess was taken prior to the presentation of Item IV.B.*

## **B. Consideration of Awards for Governing Authorities Receiving Exemptions**

### **i. Requesting Governing Authority:** Madison County School District

**Supplier:** BCI Communications, Inc.

**Term:** One time purchase

**Total Value:** \$151,482.36

**Summary of Request:** Madison County School District was granted an exemption from Reverse Auction in February 2018. They advertised for competitive sealed bids for firewall equipment, installation and support. One bid was received from BCI Communications, Inc. The total includes \$137,082.36 for the firewall and an additional \$14,400.00 for possible training. They are requesting to award to BCI Communications, Inc.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information submitted by the school district, we ask that the Board approve this contract.

**Action:** A motion was made by Ms. Wray to approve the staff recommendation as presented. The motion was seconded by Mr. Morehead and unanimously approved by all members present and voting. Ms. Malatesta abstained.

### **ii. Requesting Agency:** Madison County School District

**Supplier:** Blossman Gas

**Term:** 7/1/2018 - 6/30/2019

**Total Value:** \$ 53,000 estimated

**Summary of Request:** Madison County School District was granted an exemption from using the Reverse Auction process in February 2018. They advertised for competitive sealed

bids for the purchase of propane. Two bids were received and Blossman Gas was the low bid. No protests were received and the school district wishes to award to the lowest responsible bidder.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information submitted by the school district, we ask that the Board approve this contract.

**Action:** A motion was made by Mr. Belk to approve the staff recommendation as presented. The motion was seconded by Mr. Morehead and unanimously approved by all members present and voting. Ms. Malatesta abstained.

iii. **Requesting Agency:** Tupelo Public School District

**Supplier:** Apple, Inc.

**Term:** One time purchase

**Total Value:** \$978,000.00

**Summary of Request:** Tupelo Public School District received an exemption in February, from using the Reverse Auction process, to procure 600 Macbook Pros. They advertised for competitive sealed bids and received three responses. No protests were received and the school district is requesting to award to the lowest responsible bidder which is Apple, Inc.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information submitted by the school district, we ask that the Board approve this contract.

**Action:** A motion was made by Ms. Wray to approve the staff recommendation as presented. The motion was seconded by Mr. Belk and unanimously approved by all members present.

C. **Consideration of State Agency Contracts for Board Action**

*Items IV.C.i, IV.C.ii, IV.C.iii, and IV.C.iv were presented together.*

i. **Requesting Agency:** Mississippi Department of Transportation (MDOT)

**Supplier:** Striping Service and Supply, Inc.

**Contract #:** 8200036605

**Term:** One Year Extension (07/01/2018 – 06/30/2019)

**Total Value:** \$2,758,500.00

**Summary of Request:** MDOT has submitted a request to extend agency contract number 8200036605 for a period of one (1) year to allow the Agency to purchase up to One hundred Forty six (146) Attenuators. The original contract was approved by PPRB on 12/6/2017 with expiration of 6/30/2018 and is now awaiting extension approval with no change in price. Four (4) responses were received. No protests were received. The original bid does allow for the extension.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information submitted by the Agency, we ask that the Board approve this contract.

ii. **Requesting Agency:** Mississippi Department of Transportation (MDOT)

**Supplier:** Chemical Containers, Inc.

**Contract #:** 8200036585

**Term:** One Year Extension (07/01/2018 – 06/30/2019)

**Total Value:** \$790,000.00

**Summary of Request:** MDOT has submitted a request to extend agency contract number 8200029846 for a period of one (1) year to allow the Agency to purchase up to Fifty (50) dump bodies. The original contract was approved by PPRB on 07/05/2017 with expiration of 6/30/2018 and is now awaiting extension approval with no change in price. One (1) response was received. No protests were received. The original bid does allow for the extension.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information submitted by the Agency, we ask that the Board approve this contract.

iv. **Requesting Agency:** Mississippi Department of Transportation (MDOT)

**Supplier:** Hall Manufacturing, Inc.

**Contract #:** 8200032415

**Term:** One Year Extension (07/01/2018 – 06/30/2019)

**Total Value:** \$600,000.00

**Summary of Request:** MDOT has submitted a request to extend agency contract number 8200032415 for a period of one (1) year to allow the Agency to purchase mower parts. The original contract was approved by PPRB on 05/22/2017 with expiration of 6/30/2018 and is now awaiting the second of three extension approvals with no change in price. One (1) response was received. No protests were received. The original bid does allow for the extension.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information submitted by the Agency, we ask that the Board approve this contract.

**Action:** A motion was made by Mr. Morehead to approve the staff recommendations for Items IV.C.i, IV.C.ii, IV.C.iii, and IV.C.iv as presented, with original contract date correction of 12/6/2017 in the Summary of Request on Item IV.C.iv.; and with the current extension being the second of three. Also, to be noted, future summaries are to state the number of extensions allowed with the number of extensions approved. The motion was seconded by Mr. Belk and unanimously approved by all members present.

v. **Requesting Agency:** Alcorn State University (ASU)

**Supplier:** Enterprise Fleet Management, Inc.

**Contract #:** 8200038285

This project is funded through a federal grant in which Davey Resource Group, Inc. is listed as a partnering agency and/or organization. Pursuant to Section 1-104, Application of the Regulations, of the Public Procurement Review Board Office of Personal Service Contract Rules and Regulations, in the event of a conflict, the guidelines of a grant, a gift, or self-generated funds shall prevail. As such, the contract between the Mississippi Forestry Commission and Davey Resource Group, Inc. was not subject to competitive bidding. The term of the contract is for one year with optional renewals not to extend past September 30, 2020. Proof of the vendor's required employee dishonesty or fidelity bond insurance certification must be received from the agency prior to processing the contract. This request has been reviewed for compliance and has been determined to comply with the Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations and all legal requirements by the Office of Personal Service Contract Review staff.

**Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff and complies with PPRB OPSCR proposed Rules and Regulations and all legal requirements. OPSCR recommends approval of the contract as requested contingent upon receipt of the vendor's required employee dishonesty fidelity bond.

**Action:** A motion was made by Mr. Morehead to approve the staff recommendation as presented. The motion was seconded by Ms. Malatesta and unanimously approved by all members present.

7. **Requesting Agency:** Mississippi Department of Revenue

**Supplier:** Mississippi State University

**Contract #:** 8200032471

**Term:** 07/01/2017 – 06/30/2019

**Renewal**

**Total Value:** \$180,816.00

**\$90,408.00**

**Summary of Request:** Renewal One has been submitted to renew the contract for one year. This is the first of three optional one-year renewals allowed by the original contract. Renewal One also updates the Period of Performance, Method of Payment, Representation Regarding Gratuities, Paymode, Procurement Regulations, and Approval clauses. All other terms and conditions of the original contract remain the same. Pursuant to Miss. Code Ann. § 27-1-55, the Mississippi State University Extension Service shall conduct the continuing education sessions for tax collectors, assessor-tax collectors, and their deputies on an annual basis. Additionally, pursuant to Miss. Code Ann. § 27-1-55, this contract is exempt from competitive bidding.

**Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff and complies with PPRB OPSCR proposed Rules and Regulations and all legal requirements. OPSCR recommends approval of the contract as requested.

**Action:** A motion was made by Ms. Malatesta to approve the staff recommendation as presented. The motion was seconded by Mr. Morehead and unanimously approved by all members present.

8. **Requesting Agency:** Mississippi Emergency Management Agency

**Supplier:** Atkins North America, Inc.

**Contract #:** 86950/8200007450

**Term:** 01/15/2014 – 12/31/2018

**Modification**

**Total Value:** \$6,884,151.98

**\$767,540.00**

**Summary of Request:** Sixth Amendment has been submitted to increase the amount of the contract by \$767,540.00 due to an increased workload associated with the Biloxi infrastructure for Hurricane Katrina and to ensure work is done to FEMA and the Office of Inspector General compliance standards. Sixth Amendment updates the Representation Regarding Gratuities, Procurement Regulations, E-payment, Stop Work Order, Price Adjustment, and Priority clauses and adds the Approval clause. All other terms and conditions of the original contract remain the same. The contractor assists MEMA with the

management and administration of the Public Assistance program, which provides financial assistance to state and local governments or individuals who own or operate a private or nonprofit facility for the repair, restoration, reconstruction, or replacement of a facility damaged or destroyed by a major disaster and for associated expenses. These services are required to meet statutory and regulatory mandates as well as provide assistance with interpreting and implementing project worksheets. The contractor was originally selected through an RFP.

**Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff and complies with PPRB OPSCR proposed Rules and Regulations and all legal requirements. OPSCR recommends approval of the contract as requested, contingent upon receipt of the vendor's updated required insurance certifications.

**Action:** A motion was made by Mr. Belk to approve the staff recommendation as presented with correction that the insurance certificates have been received as of the meeting date. The motion was seconded by Ms. Malatesta and unanimously approved by all members present.

*Items VI.B.9 and VI.B.10 were presented together.*

**9. Requesting Agency:** Mississippi Emergency Management Agency

**Supplier:** Landstar Express America, Inc.

**Contract #:** 8200038454

**Term:** 06/21/2018 – 06/20/2019

**Total Value:** \$189,490.00

**New**

**\$189,490.00**

**Summary of Request:** The contractor will serve as the secondary provider of functional transportation services on an emergency standby basis to support commodity distribution within the state during a natural and man-made disaster. Services include delivering commodities to the State Staging Areas at Camp Shelby in Hattiesburg, MS; Grenada, MS, and Lee County Agri Center in Tupelo, MS. The term of the contract is one year with four optional one-year renewals. The contractor was selected through an RFP with two respondents, which resulted in the award of two contracts. As this RFP was issued on December 28, 2017, the procurement must comply with PSCRB Rules and Regulations (effective 7/1/2016), while the contract must comply with OPSCR Rules and Regulations. The agency requests the following exceptions to the identified sections of the PSCRB Rules and Regulations: 3-202.06.2 for failure of advertisement for proposals published once each week for two consecutive weeks in the county or municipality in which the agency is located and 3-203.04.2(d) for failure of identifying the type of contract to be used within the RFP. The agency contends the publication was an error on the newspaper company. Although the advertisement was published only once in the county or municipality in which the agency is located, the advertisement was correctly published in two other newspapers within the state and the agency researched and forwarded the RFP to a list of known vendors; therefore, OPSCR staff does not have concerns regarding the competitiveness of this procurement.

**Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff and, upon granting of the exceptions to Section 3-202.06.2 and 3-203.04.2(d) of the OPSCR Rules and Regulations, will comply with OPSCR Rules and Regulations and all legal requirements. OPSCR recommends granting of exceptions and approval of the contract as requested.

**10. Requesting Agency:** Mississippi Emergency Management Agency

**Supplier:** Total Transportation of Mississippi, LLC

**Contract #:** 8200038453

**Term:** 06/21/2018 – 06/20/2019

**New**

**Total Value:** \$120,000.00

**\$120,000.00**

**Summary of Request:** The contractor will serve as the primary provider of functional transportation services on an emergency standby basis to support commodity distribution within the state during a natural and man-made disaster. Services include delivering commodities to the State Staging Areas at Camp Shelby in Hattiesburg, MS; Grenada, MS, and Lee County Agri Center in Tupelo, MS. The term of the contract is one year with four optional one-year renewals. The contractor was selected through an RFP with two respondents, which resulted in the award of two contracts. As this RFP was issued on December 28, 2017, the procurement must comply with PSCRB Rules and Regulations (effective 7/1/2016), while the contract must comply with OPSCR Rules and Regulations. The agency requests the following exceptions to the identified sections of the PSCRB Rules and Regulations: 3-202.06.2 for failure of advertisement for proposals published once each week for two consecutive weeks in the county or municipality in which the agency is located and 3-203.04.2(d) for failure of identifying the type of contract to be used within the RFP. The agency contends the publication was an error on the newspaper company. Although the advertisement was published only once in the county or municipality in which the agency is located, the advertisement was correctly published in two other newspapers within the state and the agency researched and forwarded the RFP to a list of known vendors. Therefore, OPSCR staff does not have concerns regarding the competitiveness of this procurement.

**Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff and, upon granting of the exceptions to Section 3-202.06.2 and 3-203.04.2(d) of the OPSCR Rules and Regulations, will comply with OPSCR Rules and Regulations and all legal requirements. OPSCR recommends granting of exceptions and approval of the contract as requested.

*Ms. Walton stated corrections to the agenda listing the contractor as the secondary instead of primary provider; and the PSCRB Rules and Regulations, Sections should have been listed as 3-202.06.2 and 3-203.04.2(d).*

*Ms. Martin stated she recused herself from all decision making authority on the following contract due to a conflict of interest.*

*Ms. Goodwin stated the Attorney General's Office had not been consulted as was stated in the agenda.*

**Action:** A motion was made by Ms. Wray to approve the staff recommendation as presented and noted the corrections made to the agenda. The motion was seconded by Mr. Belk and unanimously approved by all members present.

**11. Requesting Agency:** Division of Medicaid

**Supplier:** Medical Review of North Carolina, Inc. d/b/a The Carolinas Center for Medical Excellence

**Contract #:** 8200017802

**Term:** 06/01/2015 – 05/31/2019

**Total Value:** \$1,721,441.00

**Renewal**

**\$404,249.00**

**Summary of Request:** Amendment Two has been submitted to renew the contract for one year. This is the first of two optional one-year renewals allowed by the original contract. Sections 4.2, Liquidated Damages, 4.14, Risk Management, and Insurance from the RFP, and all required clauses pursuant to Appendix C of the OPSCR Rules and Regulations have been added via Amendment Two. Amendment Two updates the Period of Performance, Cost of Services, and Entire Agreement clauses. All other terms and conditions of the original contract remain the same. The contractor provides external quality review (hereinafter "EQR") services. These EQR services are consistent with federal regulations for the Mississippi Coordinated Access Network and Mississippi Children's Health Insurance Program (hereinafter "CHIP"). The contract provides analysis and evaluation of information on the Coordinated Care Organization's quality, timeliness, and access to certain Medicaid covered health care services and Mississippi CHIP covered health services. The contractor was originally selected through an RFP. This contract is subject to a protective order entered into by the Hinds County Chancery Court on April 4, 2016 to protect from release trade secrets or confidential commercial or financial information.

**Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff and complies with PPRB OPSCR proposed Rules and Regulations and all legal requirements. OPSCR recommends approval of the contract as requested.

**Action:** A motion was made by Mr. Belk to approve the staff recommendation as presented. The motion was seconded by Mr. Morehead and unanimously approved by all members present.

**12. Requesting Agency:** Mississippi Department of Wildlife, Fisheries and Parks

**Supplier:** Wiregrass Ecological Associates, LLC

**Contract #:** 8200038408

**Term:** 05/10/2018 – 05/09/2019

**Total Value:** \$149,780.00

**New**

**\$149,780.00**

**Summary of Request:** The contractor will provide field data collection services and inventory 12,952 acres on the Ward Bayou Wildlife Management Area in Jackson County, Mississippi. The contractor will develop an invasive species management plan based on the data collected. The term of the contract is one year with three optional one-year renewals. The contractor was selected through an IFB with two respondents. The agency requests exceptions to Section 3-202.03.4, Acknowledgment of Amendments, and Appendix D of the

OPSCR Rules and Regulations for not including the required Acknowledgment of Amendments clause in the IFB. One amendment was issued that required bidders to sign the amendment and submit with their bids. Both bidders submitted the signed amendment; therefore, OPSCR staff do not have concerns regarding the competitiveness of this procurement.

**Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff and, upon granting of the exceptions to Section 3-202.03.4 and Appendix D of the OPSCR Rules and Regulations, will comply with OPSCR Rules and Regulations and all legal requirements. OPSCR recommends approval of the contract as requested.

**Action:** A motion was made by Mr. Belk to approve the staff recommendation as presented. The motion was seconded by Ms. Wray and unanimously approved by all members present.

**13. Requesting Agency:** DMH-Mississippi State Hospital

**Supplier:** Phoenix Technical Services, Inc.

**Contract #:** 8200038409

**Term:** 05/21/2018 – 05/20/2021

**New**

**Total Value:** \$114,060.24

**\$114,060.24**

**Summary of Request:** The contractor will provide preventative maintenance and repair services for medical inventory at the Hospital. The term of the contract is three years with no optional renewal. The contractor was selected through an IFB with two respondents.

**Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff and complies with PPRB OPSCR proposed Rules and Regulations and all legal requirements. OPSCR recommends approval of the contract as requested.

**Action:** A motion was made by Ms. Wray to approve the staff recommendation as presented. The motion was seconded by Ms. Malatesta and unanimously approved by all members present.

**14. Requesting Agency:** Mississippi Department of Corrections

**Supplier:** Texas Prisoner Transportation Services (Global Prisoner Services, LLC)

**Contract #:** 8200038438

**Term:** 06/01/2018 – 05/31/2020

**New**

**Total Value:** \$497,500.00

**\$497,500.00**

**Summary of Request:** The contractor will provide interstate transportation for the return of MDOC prisoners, parole and/or release violators, and prison escapees from the continental United States to designated MDOC institutions in the State of Mississippi at the rate of \$0.90 per mile. The contractor will make arrangements for air travel and will provide qualified medical personnel to ride along when transporting inmates with unsound medical conditions. Both the air travel and the usage of qualified medical personnel must be pre-approved by and reimbursed by MDOC. The term of the contract is two years with two optional one-year renewals. The contractor was selected through an IFB with two respondents. The agency

requests the following exceptions to the identified sections of the PPRB OPSCR Rules and Regulations: 3-202.08.2 for failure to obtain acknowledgement of procurement amendments and 3-202.06.3 as a result of the date fixed for receiving bids was on a Monday. The agency issued one amendment to the IFB, which added the protest of award deadline to the protest section. Based on submissions from the two respondents, it is clear the two respondents received the amendment. As a result of the limited number of companies providing this service and because no late bids were received, the agency contends these IFB flaws did not limit or hinder competition. Therefore, OPSCR staff ~~and the Special Assistant Attorney General~~ <sup>J/s</sup> do not have concerns regarding the competitiveness of this procurement. There was one protest filed regarding the procurement: U.S. Corrections, LLC filed a protest to the contract awards on March 28, 2018. On April 17, 2018, MDOC responded to the protest with the final decision that the protest had no merit. Pursuant to PPRB OPSCR Rules and Regulations, U.S. Corrections, LLC, had until April 24, 2018 to file an appeal with PPRB if they were unsatisfied with the MDOC protest decision.

<sup>J/s</sup> **Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff ~~and the Special Assistant Attorney General~~ and, upon granting of the exceptions to Sections 3-202.08.2 and 3-202.06.3 of the PPRB OPSCR Rules and Regulations, will comply with PPRB OPSCR proposed Rules and Regulations and all legal requirements. OPSCR recommends approval of the contract as requested.

**Action:** A motion was made by Mr. Belk to approve the staff recommendation as presented. The motion was seconded by Ms. Wray and unanimously approved by all members present.

**C. Department of Child Protection Services Contracts and Department of Human Services Contracts Useful in Establishing and Operating DCPS for Fiscal Year 2018**

*Neither the Public Procurement Review Board nor OPSCR staff approves Department of Child Protection Services (DCPS) contracts or Department of Human Services (DHS) contracts useful in establishing and operating DCPS. These contracts are reported to the board for consideration of recommendations, but are not subject to OPSCR Rules and Regulations. The implementation of any board recommendations is at the discretion of DHS and/or DCPS. Pursuant to Miss. Code Ann. § 27-104-7(f), the board is not authorized to disapprove any proposed personal service contracts for DCPS or DHS contracts that are useful in establishing and operating DCPS.*

An updated report for all Department of Child Protection Services Contracts and Department of Human Services Contracts useful in establishing and operating DCPS reported to the Board for Fiscal Year 2018 is attached to these Minutes as **Attachment C**.

**D. Emergency Contracts Reported to the Board for Fiscal Year 2018**

*Emergency contracts are reviewed by OPSCR staff for technical compliance upon the written request of the submitting agency. The OPSCR staff will process the contract in MAGIC upon receipt of the contract, and then conduct the requested review and notify the agency of any problems found during the requested review; however, it is the responsibility of the agency to*

*correct any errors. If no written request for review is made by the submitting agency, OPSCR staff will process the contract in MAGIC upon receipt of same, and then conduct a review of the contract for internal auditing purposes. Emergency contracts are presented to the PPRB at its regular meeting and are included in the minutes of said meeting, but no action is required by the PPRB as to these contracts. Any approval in MAGIC or any other state system does not constitute approval of the emergency procurement by the PPRB and is done solely for processing purposes. This provision is not intended to prevent the PPRB from making a report under the statutory authority to audit or to take other action as deemed appropriate.*

**1. Requesting Agency:** DMH-Boswell Regional Center

**Supplier:** Valley Services, Inc.

**Contract #:** 8400000781

**Term:** 11/20/2017 – 04/30/2018

**Total Value:** \$143,125.00

**New**

**\$143,125.00**

**Summary of Request:** The contractor supplies meals to the individuals served at the agency while the kitchen at the agency is being renovated. The term of the contract is five months and eleven days. The contractor was originally selected through small purchase procedures pursuant to Section 3-205 of the PSCRB Rules and Regulations, as the agency regularly provides these services in-house and calculated the need for contracting the services would cease no later than the end of February 2018 based on the timeline for the kitchen renovation project. However, the kitchen renovation project exceeded the initial timeline and the agency required the services by the contractor to continue through the end of April 2018. Therefore, the agency retroactively declared an emergency pursuant to Section 3-207 of the PSCRB Rules and Regulations, which states “[i]f the Agency Head... determines... that the delay incident to undertaking a competitive procurement would threaten the health or safety of any person, or the preservation or protection of property, then the Agency Head... may make an emergency procurement.” The agency determined the emergency contract was necessary in order to continue to prepare and provide meals for the patients at the agency while the kitchen at the agency is being renovated.

**2. Requesting Agency:** Mississippi Department of Education

**Supplier:** James Johnson-Waldington

**Contract #:** 8400000810

**Term:** 07/01/2018 – 12/31/2018

**Total Value:** \$97,750.00

**New**

**\$97,750.00**

**Summary of Request:** The contractor will serve as the conservator (interim superintendent), responsible for the administration, management, and operation of the Leflore County School District. The agency requests \$99,750.00 in spending authority, which is comprised of \$85,000.00 for personal services or \$850.00 a day for 100 days and \$14,750.00 for travel. The term of the contract is six months. The contractor was selected through emergency procurement procedures pursuant to Section 3-207 of the Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations, which states “[i]f the Agency Head... determines... that the delay incident to undertaking a competitive procurement would threaten the health or safety of any person, or the preservation or protection of property, then the Agency Head... may make an emergency procurement.” The agency contends the extreme emergency situation jeopardizes the safety, security, and educational interest of the children enrolled in the schools in this district and without intervention by the State, it could

result in the continuation of an inadequate and unstable educational environment, thereby denying the students of this district the opportunity to learn, to excel, and to obtain a free and appropriate public education. The Governor declared a state of emergency for Leflore County School District on September 16, 2013.

**3. Requesting Agency:** Mississippi Department of Education

**Supplier:** Margie B. Pulley

**Total Value:** \$99,750.00

**New  
\$99,750.00**

**Summary of Request:** The contractor will serve as the conservator (interim superintendent) responsible for the administration, management, and operation of the Tunica County School District. This independent contractor is a Mississippi Public Employees Retirement System retiree. The agency requests \$99,750.00 in spending authority, which is comprised of \$85,000.00 for personal services or \$850.00 a day for 100 days and \$14,750.00 for travel. The term of this contract is six months. The contractor was selected through emergency procurement procedures pursuant to Section 3-207 of the Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations, which states “[i]f the Agency Head...determines...that the delay incident to undertaking a competitive procurement would threaten the health or safety of any person, or the preservation or protection of property, then the Agency Head...may make an emergency procurement.” The agency contends the extreme emergency situation jeopardizes the safety, security, and educational interest of the children enrolled in the schools in this district and without intervention by the State, it could result in the continuation of an inadequate and unstable educational environment, thereby denying the students of this district the opportunity to learn, to excel, and to obtain a free and appropriate public education. The Governor declared a state of emergency for Tunica County School District on July 9, 2015.

An updated report of all emergency contracts reported to the Board for Fiscal Year 2018 is attached to these Minutes as **Attachment D**.

**E. OPSCR Staff Approvals Reported to the Board**

The list of staff approvals for OPSCR reported to the Board is attached to these Minutes as **Attachment E**.

**MEETING AGENDA**  
**Wednesday, May 2, 2018**  
**9:00 a.m.**

- I. **Call to Order**
- II. **Approval of Minutes from April 4, 2018 Public Procurement Review Board Meeting**
- III. **Approval of per diem and expenses for the May 2, 2018 meeting and for any additional expenses incurred prior to the June 6, 2018 meeting**

**A. Petitions for Relief from Reverse Auction**

**1. Governing Authorities**

- i. **Requesting Governing Authority:** Jackson County Utility Authority  
**Supplier:** Consolidated Pipe and Supply  
**Term:** One year with option to renew two additional one year periods  
**Total Value:** To Be Determined

**Summary of Request:** Jackson County Utility Authority has requested an exemption from using the Reverse Auction process for the purchase of water meters. They are requesting the exemption because there is only one vendor that makes meters compatible with the software used. Neptune is the manufacturer of the meters. They do not sell direct and their distributors are set up by territory, so there will be only one vendor that can bid. The Authority feels the competitive sealed bid process should be utilized to procure the water meters.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

- ii. **Requesting Governing Authority:** Rankin County School District  
**Supplier:** Unknown-N/A  
**Term:** One year  
**Total Value:** \$126,000.00

**Summary of Request:** Rankin County School District is requesting an exemption from the Reverse Auction process for the purchase of snacks for their after school Frontiers

**Summary of Request:** Harrison County is requesting an exemption from the Reverse Auction process for the purchase of scrub seal, slurry seal and micro surface seal, which are used in pavement restoration. Two bidders have responded to the last three annual bids. The County feels it would be better to use competitive sealed bids for this procurement, as the County regularly uses Reverse Auctions and receives higher prices when the number of suppliers is limited.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

vi. **Requesting Governing Authority:** Harrison County

**Supplier:** Unknown-N/A

**Term:** Twelve months

**Total Value:** \$93,000.00

**Summary of Request:** Harrison County is requesting an exemption from the Reverse Auction process for the purchase of corrugated polyethylene culvert pipe. Reverse Auction was used in 2015 and 2016 with three bidders. Only two bidders responded in the last two annual bids. The County feels it would be better to use competitive sealed bids for this procurement, as the County regularly uses Reverse Auctions and receives higher prices when the number of suppliers is limited.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

vii. **Requesting Governing Authority:** Harrison County

**Supplier:** Unknown-N/A

**Term:** Twelve months

**Total Value:** \$103,000.00

**Summary of Request:** Harrison County is requesting an exemption from the Reverse Auction process for the purchase of pesticides and chemicals. Only two bidders have responded to the last three annual bids. The County feels it would be better to use competitive sealed bids for this procurement, as the County regularly uses Reverse Auctions and receives higher prices when the number of suppliers is limited.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

iii. **Requesting State Agency:** Mississippi Department of Transportation

**Supplier:** Unknown-N/A

**Contract #:** 3180000304

**Term:** Three (3) years

**Total Value:** \$10,000,000.00

**Summary of Request:** The Mississippi Department of Transportation (MDOT) is requesting an exemption from the Reverse Auction process for the purchase of hot and cold mix asphalt. Hot and cold asphalt mix are used by MDOT road maintenance crews at various locations throughout the state. The location of the work, type of asphalt mix needed, and plants producing at the time of work must be known to determine lowest cost. Additionally, since hot mix must be used within a short time period, only plants within a certain geographical range of the work location can be considered when determining lowest cost. For these reasons, MDOT needs all locations and all vendors to bid, even if their price is higher than another vendor because MDOT awards to all vendors and makes determination at time of purchase. Since the commodity procurements are not awarded based on a single award to the lowest bid for the line item, it is not a good candidate for the Reverse Auction process. MDOT requests to utilize a competitive sealed bid procurement process to promote open competition.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

iv. **Requesting State Agency:** Mississippi Department of Transportation

**Supplier:** Unknown-N/A

**Contract #:** 3180000341

**Term:** Three (3) years

**Total Value:** \$2,250,000.00

**Summary of Request:** The Mississippi Department of Transportation (MDOT) has requested an exemption from using the Reverse Auction process for the purchase of crushed aggregates (limestone). Crushed aggregates are used by MDOT road maintenance crews at various locations throughout the state along with certified bituminous to chip seal and for shoulder repairs. Large (rip rap) is used for erosion control at drainage structures and bridge sites. Because of seasonal use, there can be an availability issue since MDOT competes for product with cities, counties, and asphalt plants. Availability and location of work must be known to determine the lowest cost. Due to availability and location, MDOT needs to award to all vendors even if their price is higher than another vendor because availability and transportation cost at the time of the purchase is a factor. Since the commodity procurements are not awarded based on a single award to the lowest bid for the line item, it is not a good candidate for the Reverse Auction process. MDOT requests to utilize a competitive sealed bid procurement process to promote open competition.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information provided, OPTFM recommends approval of the exemption and the use of competitive sealed bidding for the procurement.

**Summary of Request:** Madison County School District was granted an exemption from Reverse Auction in February 2018. They advertised for competitive sealed bids for firewall equipment, installation and support. One bid was received from BCI Communications, Inc. The total includes \$137,082.36 for the firewall and an additional \$14,400.00 for possible training. They are requesting to award to BCI Communications, Inc.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information submitted by the school district, we ask that the Board approve this contract.

ii. **Requesting Agency:** Madison County School District

**Supplier:** Blossman Gas

**Term:** 7/1/2018 - 6/30/2019

**Total Value:** \$ 53,000 estimated

**Summary of Request:** Madison County School District was granted an exemption from using the Reverse Auction process in February 2018. They advertised for competitive sealed bids for the purchase of propane. Two bids were received and Blossman Gas was the low bid. No protests were received and the school district wishes to award to the lowest responsible bidder.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information submitted by the school district, we ask that the Board approve this contract.

iii. **Requesting Agency:** Tupelo Public School District

**Supplier:** Apple, Inc.

**Term:** One time purchase

**Total Value:** \$978,000.00

**Summary of Request:** Tupelo Public School District received an exemption in February, from using the Reverse Auction process, to procure 600 Macbook Pros. They advertised for competitive sealed bids and received three responses. No protests were received and the school district is requesting to award to the lowest responsible bidder which is Apple, Inc.

**Staff Recommendation:** This request has been reviewed for compliance and has been determined to comply with all rules and regulations and legal requirements by DFA staff. Based on the information submitted by the school district, we ask that the Board approve this contract.

10. **Requesting Agency:** Mississippi Emergency Management Agency

**Supplier:** Total Transportation of Mississippi, LLC

**Contract #:** 8200038453

**Term:** 06/21/2018 – 06/20/2019

**Total Value:** \$120,000.00

**New**

**\$120,000.00**

**Summary of Request:** The contractor will serve as the primary provider of functional transportation services on an emergency standby basis to support commodity distribution within the state during a natural and man-made disaster. Services include delivering commodities to the State Staging Areas at Camp Shelby in Hattiesburg, MS; Grenada, MS, and Lee County Agri Center in Tupelo, MS. The term of the contract is one year with four optional one-year renewals. The contractor was selected through an RFP with two respondents, which resulted in the award of two contracts. As this RFP was issued on December 28, 2017, the procurement must comply with PSCRB Rules and Regulations (effective 7/1/2016), while the contract must comply with OPSCR Rules and Regulations. The agency requests the following exceptions to the identified sections of the PSCRB Rules and Regulations: 3-202.06.2 for failure of advertisement for proposals published once each week for two consecutive weeks in the county or municipality in which the agency is located and 3-203.04.2(d) for failure of identifying the type of contract to be used within the RFP. The agency contends the publication was an error on the newspaper company. Although the advertisement was published only once in the county or municipality in which the agency is located, the advertisement was correctly published in two other newspapers within the state and the agency researched and forwarded the RFP to a list of known vendors. Therefore, OPSCR staff and the Special Assistant Attorney General do not have concerns regarding the competitiveness of this procurement.

**Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff and, upon granting of the exceptions to Section 3-202.03.4 and Appendix D of the OPSCR Rules and Regulations, will comply with OPSCR Rules and Regulations and all legal requirements. OPSCR recommends granting of exceptions and approval of the contract as requested.

Rules and Regulations, will comply with OPSCR Rules and Regulations and all legal requirements. OPSCR recommends approval of the contract as requested.

**13. Requesting Agency:** DMH-Mississippi State Hospital

**Supplier:** Phoenix Technical Services, Inc.

**Contract #:** 8200038409

**Term:** 05/21/2018 – 05/20/2021

**New**

**Total Value:** \$114,060.24

**\$114,060.24**

**Summary of Request:** The contractor will provide preventative maintenance and repair services for medical inventory at the Hospital. The term of the contract is three years with no optional renewal. The contractor was selected through an IFB with two respondents.

**Staff Recommendation:** This request has been reviewed for compliance by OPSCR staff and complies with PPRB OPSCR proposed Rules and Regulations and all legal requirements. OPSCR recommends approval of the contract as requested.

**14. Requesting Agency:** Mississippi Department of Corrections

**Supplier:** Texas Prisoner Transportation Services (Global Prisoner Services, LLC)

**Contract #:** 8200038438

**Term:** 06/01/2018 – 05/31/2020

**New**

**Total Value:** \$497,500.00

**\$497,500.00**

**Summary of Request:** The contractor will provide interstate transportation for the return of MDOC prisoners, parole and/or release violators, and prison escapees from the continental United States to designated MDOC institutions in the State of Mississippi at the rate of \$0.90 per mile. The contractor will make arrangements for air travel and will provide qualified medical personnel to ride along when transporting inmates with unsound medical conditions. Both the air travel and the usage of qualified medical personnel must be pre-approved by and reimbursed by MDOC. The term of the contract is two years with two optional one-year renewals. The contractor was selected through an IFB with two respondents. The agency requests the following exceptions to the identified sections of the PPRB OPSCR Rules and Regulations: 3-202.08.2 for failure to obtain acknowledgement of procurement amendments and 3-202.06.3 as a result of the date fixed for receiving bids was on a Monday. The agency issued one amendment to the IFB, which added the protest of award deadline to the protest section. Based on submissions from the two respondents, it is clear the two respondents received the amendment. As a result of the limited number of companies providing this service and because no late bids were received, the agency contends these IFB flaws did not limit or hinder competition. Therefore, OPSCR staff and the Special Assistant Attorney General do not have concerns regarding the competitiveness of this procurement. There was one protest filed regarding the procurement: U.S. Corrections, LLC filed a protest to the contract awards on March 28, 2018. On April 17, 2018, MDOC responded to the protest with the final decision that the protest had no merit. Pursuant to PPRB OPSCR Rules and Regulations, U.S. Corrections, LLC, had until April 24, 2018 to file an appeal with PPRB if they were unsatisfied with the MDOC protest decision.

Rules and Regulations, which states “[i]f the Agency Head... determines... that the delay incident to undertaking a competitive procurement would threaten the health or safety of any person, or the preservation or protection of property, then the Agency Head... may make an emergency procurement.” The agency determined the emergency contract was necessary in order to continue to prepare and provide meals for the patients at the agency while the kitchen at the agency is being renovated.

**2. Requesting Agency:** Mississippi Department of Education

**Supplier:** James Johnson-Waldington

**Contract #:** 8400000810

**Term:** 07/01/2018 – 12/31/2018

**Total Value:** \$97,750.00

**New  
\$97,750.00**

**Summary of Request:** The contractor will serve as the conservator (interim superintendent), responsible for the administration, management, and operation of the Leflore County School District. The agency requests \$99,750.00 in spending authority, which is comprised of \$85,000.00 for personal services or \$850.00 a day for 100 days and \$14,750.00 for travel. The term of the contract is six months. The contractor was selected through emergency procurement procedures pursuant to Section 3-207 of the Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations, which states “[i]f the Agency Head...determines...that the delay incident to undertaking a competitive procurement would threaten the health or safety of any person, or the preservation or protection of property, then the Agency Head...may make an emergency procurement.” The agency contends the extreme emergency situation jeopardizes the safety, security, and educational interest of the children enrolled in the schools in this district and without intervention by the State, it could result in the continuation of an inadequate and unstable educational environment, thereby denying the students of this district the opportunity to learn, to excel, and to obtain a free and appropriate public education. The Governor declared a state of emergency for Leflore County School District on September 16, 2013.

**3. Requesting Agency:** Mississippi Department of Education

*Emergency contracts are reviewed by Office of Personal Service Contract Review (OPSCR) staff for technical compliance upon the written request of the submitting agency. The OPSCR staff will process the contract in MAGIC upon receipt of the contract, and then conduct the requested review and notify the agency of any problems found during the requested review; however, it is the responsibility of the agency to correct any errors. If no written request*

**Emergency Contracts as Reported in the PPRB Minutes  
Fiscal Year 2018 (as of the February 7, 2018 PPRB Meeting)**

*for review is made by the submitting agency, OPSCR staff will process the contract in MAGIC upon receipt of same, and then conduct a review of the contract for internal auditing purposes. Emergency contracts are presented to the PPRB at its regular meeting and are included in the minutes of said meeting, but no action is required by the PPRB as to these contracts. Any approval in MAGIC or any other state system does not constitute approval of the emergency procurement by the PPRB and is done solely for processing purposes. This provision is not intended to prevent the PPRB from making a report or to take other action as deemed appropriate.*
