Service Master labor rates apply to any personnel engaged to fulfill the terms of the contract. The following hours will be billed at 1.5x the standard rate: hours worked over 8 hours per day; work on Saturdays and Sundays; personnel dispatched to perform emergency services between 5pm and 8am; hours for which ServiceMaster is required by state or federal law to pay time and a half. The following hours will be billed at 2x the standard rate: hours worked on Service Master recognized holidays; hours for which Service Master is required by state or federal law to pay double time. The following hours will be billed at standard rates: travel time and hours for which personnel are delayed from beginning work due to circumstances outside of ServiceMaster's control.

ServiceMaster made reservations regarding prevailing wage rates, the Davis Bacon Act, collective bargaining agreements, adjustments to hourly rates due to changes in federal or state law, adding additional labor classifications and rates, and various rates for services for environmental, hazardous material, biohazard, and trauma cleanup services. Those reservations are not applicable to contracts negotiated under this PVL.

Hydroxyl Generator, Boss XL3	Each	\$250.00	Zip Wall Poles (Pair)	Each	\$20.00
Infrared Camera - Thermal Imaging	Each	\$125.00			

The listed rates are to be applied to all equipment used in the performance of the work for any calendar day or portion thereof in which the equipment is used. The rental rate and associated charges for any item of equipment rented from a third-party vendor, used in the performance of the Work, whether it is on the schedule or not, shall be billed at cost plus 20%. Equipment that is held at the customer's request, but not in use, will be invoiced at the full daily rate (or weekly rate if applicable to the type of equipment being held). Transportation of equipment and materials to and from the project will be billed at cost plus 20% for 3rd party vendors. Transportation by Service Master Restoration staff will be invoiced at the scheduled rates, plus applicable mileage charges.

Service Master Restoration reserved the right to add equipment to the schedule and purchase equipment not scheduled under the Daily Rate and charge an acceptable industry daily rental rate determined by Service Master Restoration. However, these reservations are not applicable to contracts negotiated under this PVL.

Service Master Restoration also stated that Contracting Agencies would be liable for any asset damaged or rendered unfit for use by the actions or inactions of the Contracting Agencies. Such liability is limited by the requirements of the Constitution of the State of Mississippi and any laws applicable to liability of the State.
