GENERAL INSTRUCTIONS

Section 1 – Authority

The Public Procurement Review Board (hereinafter “PPRB”) “may establish a preapproved list of providers of various personal and professional services for set prices with which state agencies may contract without bidding or prior approval from the board” (Mississippi Code Annotated § 27-104-7(2)(i)).

Section 2 – Purpose

The PPRB seeks to establish a Preapproved List of Vendors (hereinafter “PVL”) for On-site Mobile Shredding Services for use by state agencies (hereinafter “agencies” or “agency”) under the purview of the PPRB. The PPRB invites bids from qualified on-site mobile shredding providers for placement on the list. After the list is established, agencies may select and contract with Vendors from the list, avoiding the need for procurement. Contracts over \$75,000.00 must be approved by the PPRB. Vendor(s) agree to extend services under this Invitation for Bids (hereinafter “IFB”) to all authorized agencies within the geographic limits of the regions bid upon in the State of Mississippi at the same price and under the same terms and conditions offered in this PVL.

Further, bidders must acknowledge receipt of any amendment to the solicitation by signing and returning the amendment with the bid package, by identifying the amendment number and date in the space provided for this purpose on the bid form, or by letter. The acknowledgment should be received by the PPRB by the time and at the place specified for receipt of bids as reflected in Section 11.2. It is the bidder’s sole responsibility to monitor the website for amendments to the IFB.

Section 5 - Scope of Services

- 5.1 Mobile operations shredding is defined as secure destruction activities carried out using mobile commercial-grade destruction equipment that destroys confidential agency materials within an enclosed and secured vehicle (truck or trailer) at the Contracting Agency’s site. These services are to be provided in two separate formats: Purge Shredding and Scheduled Shredding. Purge shredding is defined as shredding services where the materials that need to be shredded are not stored in contract bins; for example, a Contracting Agency needing to shred twenty (20) boxes of paper. With purge shredding, the materials that need to be shredded may be collected using Contracting Agency containers and the cost is calculated either per pound or per box in addition to a service charge, if any. The container sizes for purge shredding are a standard copy paper box and banker/legal file box as provided by the Contracting Agency. Alternatively, purge shredding may require the Contractor to fill a 64 or 96-gallon container brought to the site by the Contractor at the time of the on-site shredding and charge the Contracting Agency according to the number of containers shred. Scheduled shredding is defined as the collection and shredding of contents from contract bins that are placed at agency locations or facilities on a recurring basis, such as bi-monthly, monthly, or quarterly as agreed upon by the Contractor and Contracting Agency. For scheduled shredding, the Contractor shall provide the Contracting Agency with lockable, wheeled containers with a hinged top, which can be opened by designated Contracting Agency personnel when necessary. The scheduled shredding format will be available in the following three container sizes: 32, 64, and/or 96-gallons. Containers shall be clearly marked for their intended use. The Contractor shall perform secure shredding services for state agencies on an as-needed (i.e. annual purge) or on a scheduled basis, as mutually agreed upon between the Contractor and each Contracting Agency.
- 5.2 Agencies dispose of records that are no longer needed or past the retention date. Various agencies possess a variety of information material that requires secure destruction. Information material includes primary papers (office paper, computer paper, colored paper, glossy paper, file stock, laser printer paper, file folders, envelopes, etc.). The information material may contain sensitive or confidential information as defined by specific statutes and regulations or that may be set by Contracting Agency policy. Confidential documents must

be attended by a Contracting Agency monitor or physically secured at all times. The Contractor acknowledges that they will be handling confidential information and must agree to maintain confidentiality of the information. All records are to be disposed of in a confidential manner. Contractor personnel designated to work with confidential records may be required to sign a statement of confidentiality guaranteeing non-disclosure of information prior to performing any work. The confidentiality statement may be designed, implemented, and maintained by either the Contractor or the Contracting Agency. If required, the statement of confidentiality shall be made available for viewing by the Contracting Agency. Contractor staff shall not inspect, view, peruse, copy, or examine any confidential information material whether or not designated for shredding or disposal. Confidential information material shall also not be disclosed, released, or communicated to any third party person, organization, or entity. Removal of records to the municipal dump is not permitted. The Contractor shall notify the Contracting Agency of any violation or breach. Unauthorized release of documents will not be tolerated and will be considered grounds for contract termination.

- 5.3** All mobile operation shredding must be performed at the Contracting Agency’s convenience so as not to interrupt its normal operations. Services may be provided at a large range of facilities. A Contracting Agency may have more than one location in different regions of the state. Most agencies operate on a Monday – Friday, 8:00 AM CST to 5:00 PM CST business hours’ schedule. Contractor personnel may be required to sign-in and sign-out at state facilities. Security provisions for all state facilities must be strictly observed. All Contractor personnel must be uniformed or have visible identification at all times. Contractor personnel may be required to provide photographic identification for inspection upon entering state facilities. The Contractor is advised that for all state facilities, Contractor personnel shall strictly abide by all state policies and procedures at all times. Deviations from these policies by the Contractor or its personnel will not be tolerated and will be considered grounds for contract termination.
- 5.4** The Contractor shall furnish all labor, skills, tools, materials, supplies, equipment, and supervision necessary to perform the tasks as specified. All mobile operation shredding will occur on-site. No documents will be taken from the facility to be destroyed at another location. No documents are to be left on the truck overnight for shredding the next working day. Documents are to be shred at the time of arrival unless a monitor is required by the Contracting Agency. The Contractor will not begin until a monitor is available to view the process when required by the Contracting Agency. The Contractor must use all shredded materials for recycling of consumer products (e.g., paper towels, cereal boxes, etc.) and not for packing material.
- 5.5** The PVL will be region-specific. The services may be provided in eight different regions of the state, including: (1) North Delta; (2) Northeast; (3) South Delta; (4) East Central; (5) Central; (6) Pinebelt; (7) Southwest; and, (8) Coastal. There will be a separate PVL for each of these regions. (See **Attachment B** for a map showing the regions and a listing of counties in each region). Bidders may bid to provide services in one or more regions, or they may bid on all regions. Bidders placing bids on more than one region should submit **a complete and separate bid package for each region** and mail or deliver in a separate sealed envelope for each region bid. To bid on a region, bidders must complete the Bid Package and certify that they can provide services for the entire region. For each region, the lowest qualified bidders for each of the on-site mobile shredding service formats and categories will be added to the

PVL. (See 6.1 below.) Bidders may bid on one, two, or all three formats/categories, but must be able to provide and/or service each container and/or box size in the format/category bid on. **Being placed on the PVL does not guarantee contracts will be issued.**

5.6 Detailed scope and specific requirements of the work required will be provided by the Contracting Agency when a Vendor on the PVL is selected for consideration with respect to a specific project or need. Such scope and requirements will include, but are not limited to, description of work activities, definition of particular deliverables, time frames, and budget parameters.

5.6.1 All mobile operations shredding services must equal or exceed the specifications listed. The absence of detail specifications or the omission of detail description shall be recognized as meaning that only the best commercial practices are to prevail and that only first quality equipment and workmanship are to be used.

5.6.2 Upon completion of each shredding service, unless otherwise agreed to by the Contracting Agency, the vendor must complete and return the form included as **Attachment A** (Certification of Document Destruction), which may be incorporated as part of the contract. This formal certificate of destruction indicates actual destruction has taken place. This form must be provided upon completion of destruction services or as required by the Contracting Agency. The Contracting Agency may utilize this form or a similar form and may even request the certificate be printed on the vendor's letterhead. The Certificate of Destruction must include: location of Contracting Agency facility; date service provided; number of containers for scheduled shredding or number of pounds for purged shredding; and signature and title. If a Contracting Agency monitor is required, the monitor should also sign and date this form.

Section 6 – Basis for Award

6.1 The PPRB intends to make awards to all responsive and responsible bidders per region per mobile shredding services category ranked in relation to the lowest costs. To determine which bids are lowest, the prices for each of the three categories by a bidder for a particular region will be averaged. After averaging, the lowest, averaged bids will be placed on the list for that region by the following formats/categories: Purge Shredding-Per Pound, Purge Shredding-Per Box/Container, and Scheduled Shredding. The list will be divided into service categories with the winning bidders' bids ranked according to the lowest, second lowest, third lowest price, etc. for each format/category.

6.2 A Contracting Agency is encouraged, but not required, to contact the lowest priced preapproved Vendor for the on-site mobile shredding service or services needed in the category of service they need. If that Vendor is unable to supply the service, the Contracting Agency may contact the next lowest Vendor. If that Vendor cannot supply the service, the Contracting Agency may contact the third lowest Vendor and so on and so forth.

6.3 Vendors bidding on more than one region may bid different rates in different regions.

Section 7 – Contract Deliverables

- 7.1** Upon execution of a contract with a Contracting Agency, Vendors on the PVL shall, with respect to all on-site mobile shredding services provided to a Contracting Agency:
- 7.1.1** Assign a Contractor Account Representative to work directly with the Contracting Agency Representative.
 - 7.1.2** Abide by all ordinances and laws pertaining to the Contracting Agency’s operation and obtain and pay for all necessary permits, licenses, and fees for work performed and give all notices and comply with all laws, ordinances, rules, and regulations.
 - 7.1.3** Provide secure and confidential destruction of agency documents on an ongoing schedule and/or on an as-needed basis. Information material must remain secured from the moment of retrieval/pick-up until destruction is accomplished. The Contractor must ensure no violation of any state, federal, or local law, including HIPAA guidelines; ensure that there are appropriate safeguards to prevent use or disclosure of the information; immediately inform the Contracting Agency of any use or disclosure of the information; and ensure that any personnel are aware not to use or disclose the information.
 - 7.1.4** Ensure all on-site mobile shredding services are provided during the times specified by the Contracting Agency. Occasionally, agencies may have an unexpected service need. In these situations, the Contractor agrees to complete the ad hoc service request within two (2) business days upon notification from the Contracting Agency, at purge shredding services rates unless otherwise specified and agreed upon in writing by Contracting Agency.
 - 7.1.5** Coordinate with the Contracting Agency to schedule service times and dates. Upon agreement, the Contractor will supply each agency with a yearly schedule as to when pickups will occur. Quantity of pickups, container sizes, and schedule may be adjusted at any time by the Contracting Agency to better compliment the Contracting Agency’s requirements. The Contractor will adjust shredding services for holidays and furloughs and notify each agency regarding adjustments and next service dates.
 - 7.1.6** Notify the Contracting Agency within two (2) hours of knowledge it will not be able to fulfill a scheduled service appointment. The Contractor agrees to complete the scheduled service within twenty-four (24) hours of a missed appointment, unless otherwise specified and agreed upon in writing by the Contracting Agency.
 - 7.1.7** Allow services to be inspected, observed, tested, or reviewed by an employee of the Contracting Agency at all times. If required by the Contracting Agency, Contracting Agency monitors must be present to witness the destruction process of all Contracting Agency information material and/or an authorized representative of the Contracting Agency may, at any time, inspect the document destruction process. The Contractor agrees that an agency designee, at any time throughout the contract, may accompany the Contractor during any collection, hauling, weighing, or destruction process being conducted by the Contractor for mobile destruction. The Contractor shall not restrict

or in any way limit the Contracting Agency's right or ability to oversee any services provided by the Contractor.

- 7.1.8** Perform all collection and shredding of information materials on-site in an appropriate vehicle. Vehicles used for the destruction of documents must have lockable cabs and lockable, fully enclosed boxes. When unattended, the vehicle cabs and boxes must be locked. There should not be a cost charged to the Contracting Agency for fuel as this should be included as part of the price per pound/box/container rate.
- 7.1.9** Coordinate with each Contracting Agency in determining the number and size of containers required. Quantity of containers per Contracting Agency location for the collection and storage of information materials will be based on estimated volume and may be adjusted during the term of the contract as the Contracting Agency need requires. The Contracting Agency, not the Contractor, will assign minimum quantities of containers to any agency location utilizing this contract. The containers shall be delivered within five (5) business days of Contracting Agency request. The Contractor shall deliver containers on the dates and times agreed upon by the Contracting Agency and Contractor. The Contracting Agency withholds the right to refuse any unscheduled deliveries without charge or penalty. The container size(s) may be adjusted at any time by the Contracting Agency to better complement the Contracting Agency's requirements. The Contractor will be responsible for delivery, set-up and all transportation costs. There is no charge for the use of containers or for their return and/or removal. Placement of containers in agency locations shall be in accordance with applicable fire codes. Locations may be adjusted during the term of the contract as Contracting Agency need requires. The Contractor shall maintain all bins in operable condition, replacing locks, lids, handles, etc., as needed at no cost to the Contracting Agency. The Contractor shall replace damaged containers at no additional charge. The containers and any other equipment provided to the Contracting Agency by the Contractor remains the property of the Contractor.
- 7.1.10** Weigh the shredded documents and leave a receipt with the Contracting Agency to compare with the invoices for payment.
- 7.1.11** Use certified scales to measure the weight of the shredded material to be billed at the per pound rate. Contracting Agencies reserve the right to have the scale tested for accuracy at the Contracting Agency's discretion and expense. In the event the scale is determined to be inaccurate, the Contractor shall reimburse the testing expense to the Contracting Agency and may be considered grounds for contract termination.
- 7.1.12** Maintain records documenting the total number of recipients and names (or unique identifiers) of recipients to whom services were provided and the dates the services were provided so that an audit trail documenting service provision can be maintained.
- 7.1.13** Agree to supply environmental reports as requested from the Contracting Agency at no additional charge. Environmental reports may include, but are not limited to, number of tons of shredded material, how much carbon dioxide was saved by recycling this material instead of land filling, etc. The Contracting Agency may

request additional reports such as number of pickup locations by site, number of bins, etc. at no additional charge within forty-five (45) days.

- 7.1.14** Abide by all state and/or agency policies and procedures at all times. Deviations from these policies by the Contractor or its personnel will not be tolerated and will be considered grounds for contract termination.
- 7.1.14.1** All state facilities are non-smoking; the Contractor and its personnel must adhere to this requirement. The use of tobacco products is prohibited, except within designated smoking areas.
- 7.1.14.2** It is illegal to have in one's possession any illegal drug or alcoholic beverage while on state property.
- 7.1.14.3** The Contractor's employees should refrain from using foul, abusive, or profane language on state property.
- 7.1.14.4** The agency reserves the right to inspect and search all Contractor personnel and/or vehicles anytime while on facility grounds.
- 7.1.14.5** Contractors are required to sign-in and sign-out at most state facilities. Security provisions for all state facilities must be strictly observed.
- 7.1.15** Ensure all Contractor personnel are well-groomed and in uniform at all times. Uniforms and/or dress code shall be inclusive of, but not limited to, neat and clean company uniforms with visible company logo appropriately and easily identifiable. Contracting Agency identification badges as well as personal identification of the individual employee shall be worn and clearly visible while on state property. Contractor personnel may be required to provide photographic identification for inspection upon entering state facilities.
- 7.1.16** Clean up the immediate document destruction area and ensure that all loose materials are collected and removed each time document destruction services are performed. Failure to adhere to this requirement will result in the costs of the performance of this work by others being charged to the Contractor. **No material shall be stored on-site without prior approval from the Contracting Agency.**
- 7.1.17** Be responsible for all damages and shall be held responsible for replacing or repairing any damage due to negligence on the part of the Contractor or Contractor personnel to any person(s) and/or property. The Contractor shall replace and repair any damage to any building or property, including but not limited to the replacement of any cracked or broken concrete (sidewalks, curbs, etc.) caused by on-site activities. Contracting Agency may withhold payment or make such deductions as deemed necessary to ensure reimbursement or replacement for loss or damage to property.
- 7.1.18** Exercise precautions at all times for the protection of persons (including employees) and property. The Contractor shall make such investigations to enable them to fully understand the facilities, difficulties, and restrictions attending the execution of the

work on-site. The project shall at all times be properly supervised and adequately manned by an experienced crew of appropriate size. At no time shall equipment be operated without guards, shields, or other manufacturer's recommended safety accessories in place and functioning as intended by the manufacturer. All work shall be accomplished by skilled workers familiar with and trained to do this type of work. Workers shall be qualified to operate and/or use the equipment necessary to accomplish this work. Proper safety barricades, protective, and covering devices shall be used to divert traffic and protect personnel. Normal safety signs, necessary lighting, and temporary fencing/barricades around work areas shall be installed and maintained in accordance with industry standards. The Contractor shall ensure that its personnel are equipped with proper safety items. The Contractor shall be responsible for the supervision and direction of the work performed by its personnel. The Contractor shall be responsible for instructing its personnel in all safety measures. All equipment used by the Contractor shall be maintained in safe operating condition at all times, and be free from defects or wear that may in any way constitute a hazard to any person or persons on state property. All incidents involving agency property or personnel shall be reported to the designated agency contact immediately upon occurrence.

7.1.19 Perform all services provided in the contract between the bidder/Vendor and the Contracting Agency in accordance with customary and reasonable industry standards as well as in strict conformance to all laws, statutes, and ordinances and the applicable rules, regulations, methods and procedures of all government boards, bureaus, offices and other agents. The Contractor shall be responsible for the complete performance of all work; for the methods, means, and equipment used; and for furnishing all materials, tools, apparatus and property of every description used in connection therewith. No statement within this IFB shall negate compliance with any applicable governing regulation. The absence of detail specifications or the omission of detail description shall be recognized as meaning that only the best commercial practices are to prevail and that only first quality materials and workmanship are to be used.

7.2 Contractor shall also:

7.2.1 Administer and maintain all employment and payroll records, payroll processing, and payment of payroll checks and taxes, including the deductions required by State, Federal, and local laws such as social security and withholding taxes for their business and employees.

7.2.2 Make all unemployment compensation contributions as required by Federal and State law(s) and process claims as required for their business and employees.

7.2.3 Perform a background check and/or drug screening prior to placement if requested by the Contracting Agency and verify and/or provide the results; and,

7.2.4 Replace, at no additional expense to the Contracting Agency, any document destruction/shredding technician not performing satisfactorily immediately.

7.3 Agency shall:

- 8.2 All bidders will be required to abide by all applicable federal and state laws and regulations, including but not limited to: OSHA, HIPAA, FACTA, Red Flag, Gramm/Leach/Bliley, Privacy Act, JCAHO, Implied Contract Breach, Trade Secret Protections, etc.
- 8.3 These minimum qualifications are in addition to a minimum score of six (6) on the Reference Score Sheet (**Attachment F**) from reference interviews by DFA staff with **two (2)** bidder references (for a total minimum scoring requirement of twelve (12) points), as well as all other requirements of this IFB. (See **Section 11.1.3** and **Attachments E** and **F**.)

Section 9 - Duration

Vendors added to the PVL will remain on the list until May 2, 2021, at which time that list will expire. However, if a Contracting Agency enters into a contract with a preapproved Vendor prior to the expiration date of May 2, 2021, that contract may be renewed at the same rates listed on the PVL until May 2, 2023. Prices submitted in response to the IFB will remain firm, valid, and renewable until May 2, 2023 except that a bidder may raise prices to reflect a rise in the federal minimum wage, but only to the extent of the actual minimum wage increase.

Section 10 – Removal from Preapproved List of Vendors of On-site Mobile Shredding Services

Vendors added to the PVL may be removed from the list for cause by the PPRB or added to the debarment list pursuant to Section 5-101, Debarment or Suspension, of the *Mississippi Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB. Vendor's failure to honor submitted rates through May 2, 2023 may result in removal from the PVL and/or debarment.

Section 11–Bid Submission Requirements

11.1 Submission format

The bid package must be sealed and must contain the following:

- 11.1.1 Bid Cover Sheet (**Attachment C**).

- 11.1.2** Bid Form (**Attachment D**) – all pricing must be submitted on the bid form. Bidders may bid on one, two or all three categories. Failure to complete and/or sign the bid form may result in bidder being determined non-responsive.
- 11.1.3** References (**Attachment E**) – each bidder must furnish a listing of at least three (3) trade references along with the contact person, address, and phone number for each. These references must be familiar with the bidder’s abilities in the areas involved with this solicitation. DFA staff will use these references to determine the bidder’s ability to perform the services. It is the responsibility of the bidder to ensure that the reference contact information is correct and current. DFA staff will not track down references. Bidders should verify before submitting their bid that the contact person and phone number are correct for each reference. **DFA staff must be able to reach two (2) references for a bidder within two (2) business days of bid opening to be considered responsive. Further, the bidder must score a minimum of six (6) points on each Reference Score Sheet which will be used by the DFA staff when interviewing the two (2) references (for a total minimum scoring requirement of twelve (12) points) to be considered responsive and/or responsible.** (See Section 8.3 and Attachments E and F.) Only bidders who are found responsive and responsible will have their bids considered. Bidder may submit as many references as desired. The PPRB will begin contacting references at the top of the list and will continue down the list until they have completed Reference Score Sheets for two (2) references. After two (2) score sheets are completed, the reference check process will end.

11.2 Submission requirements

- 11.2.1** Bidders placing bids on more than one region should submit **a complete and separate bid package for each region** and mail or deliver in a separate sealed envelope for each region bid.
- 11.2.2** The original and one copy of the bid package shall be signed and submitted in a sealed envelope or package to 501 North West Street, Suite 1301, Jackson, MS 39201 no later than **9:00 AM CST, Monday, March 19, 2018.** (Also see, **11.2.4.** and **11.2.12.**)
- 11.2.3** Timely submission of the bid package is the responsibility of the bidder. Bids received after the specified time will be rejected and shall remain unopened in the procurement file.
- 11.2.4** The envelope or package shall be marked with the bid opening date and time, and the number of the IFB (10:00 AM CST, Monday, March 19, 2018; No. 2018-02).
- 11.2.5** The time and date of receipt will be indicated on the envelope or package by the PPRB or DFA staff.
- 11.2.6** Each page of the bid form and all attachments shall be identified with the name of the bidder.

- 11.2.7** Failure to submit a bid on the bid form provided will be considered cause for rejection of the bid. **Modifications or additions to any portion of the bid document may be cause for rejection of the bid.**
- 11.2.8** The PPRB reserves the right to decide, on a case-by-case basis, whether to reject a bid with modifications or additions as non-responsive.
- 11.2.9** As a precondition to bid acceptance, the PPRB may request the bidder to withdraw or modify those portions of the bid deemed non-responsive that do not affect quality, quantity, price, or delivery of the service.
- 11.2.10** Any bidder claiming that its response contains information exempt from the Mississippi Public Records Act (Mississippi Code Annotated §§ 25-61-1, *et. seq.*, and 79-23-1), shall segregate and mark the information as confidential and provide the specific statutory authority for the exemption.
- 11.2.11** All bid packages must be received by PPRB no later than **9:00 AM CST, Monday, March 19, 2018**. Bids submitted via facsimile (faxes) **will not** be accepted. It is suggested that if a bid is mailed to PPRB, it should be posted in certified mail with a return receipt requested. The only acceptable evidence to establish the date of mailing is the U.S. Postal Service postmark on the wrapper or on the original receipt from the U.S. Postal Service. If the postmark does not show a legible date, the contents of the envelope or package shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression, exclusive of a postage meter impression, that is readily identifiable without further action as having been supplied and affixed by the U.S. Postal Service on the date of mailing. Bidders should request postal clerks to place a hand cancellation postmark (often called a bull's eye) on both the receipt and the envelope or wrapper. PPRB will not be responsible for mail delays or lost mail.
- 11.2.12** Sealed bids should be mailed or hand-delivered to and labeled as follows:

By submitting a bid, the bidder certifies that it is registered to do business in the State of Mississippi as prescribed by Mississippi law and the Mississippi Secretary of State or, if not already registered, that it will do so within seven (7) business days of being notified by the PPRB that it has been placed on the PVL.

Section 17 – Award Notification

Awards for this procurement will be posted on the DFA website at <http://www.dfa.ms.gov>. Bidders will be notified via e-mail of the awards. Additionally, a letter will be sent to all bidders.

Section 18 – Procurement Methodology

18.1 Restrictions on Communication with PPRB and DFA Staff

At no time shall any bidder or its personnel contact, or attempt to contact, any PPRB or DFA staff regarding this IFB except the contact person as set forth and in the manner prescribed in Section 4.

The PPRB and DFA accept no responsibility for any expense incurred by any bidder in the preparation and presentation of a bid. Such expenses shall be borne exclusively by the bidder.

18.3 Independent Price Determination

By submitting a bid, the bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without, for the purpose of restricting competition, any consultation, communication, or agreement with any other bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the bid. The prices quoted shall be inclusive of, but not limited to, the following: all required equipment/material; all required insurance; all required overhead; all required profit; all required vehicles; all required fuel; and, all required licenses, certifications, fees, or permits.

18.4 Rejection of Bids

A bid response that includes terms and conditions that do not conform to the terms and conditions in the IFB document is subject to rejection as non-responsive. Further, submission of a bid form that is not complete and/or signed is subject to rejection as non-responsive. DFA staff reserves the right to permit the bidder to withdraw nonconforming terms and conditions from its bid response prior to a determination by DFA staff of non-responsiveness based on the submission of nonconforming terms and conditions. Furthermore, if a bidder's

price is substantially higher than those of other bidders, meaning those in excess of a twenty-five percent (25%) differential, the bidder's price will be deemed non-responsive.

18.5 Withdrawal of Bid

18.5.1 If a bid is substantially lower than those of other bidders, a mistake may have been made.

18.5.2 A bidder may withdraw its bid from consideration if certain conditions are met:

- (1) The bid is submitted in good faith;
- (2) The price bid is substantially lower than those of other bidders because of a mistake;
- (3) The mistake is a clerical error, not an error of judgment; and,
- (4) Objective evidence drawn from original work papers, documents, and other materials used in the preparation of the bid demonstrates clearly that the mistake was an unintentional error in arithmetic or an unintentional omission of a quantity of labor or material.

18.5.3 To withdraw a bid that includes a clerical error after bid opening, the bidder must give notice in writing to DFA staff of claim of right to withdraw a bid. Within two business days after the bid opening, the bidder requesting withdrawal must provide to DFA staff all original work papers, documents, and other materials used in the preparation of the bid.

18.5.4 A bidder may also withdraw a bid, prior to the time set for the opening of bids, by simply making a request in writing to the PPRB. No explanation is required.

18.6 Post-Award Debriefing

A bidder, successful or unsuccessful, may request a post-award debriefing, in writing, by U.S. mail or electronic submission. The written request must be received by the Director of the DFA's OPSCR within three (3) business days of notification of the contract award. A post-award debriefing is a meeting and not a hearing; therefore, legal representation is not required. A debriefing typically occurs within five (5) business days of receipt of the request. If a bidder prefers to have legal representation present, the bidder must notify the Director of the DFA's OPSCR in writing and identify its attorney by name, address, and telephone number. The PPRB will schedule and/or suspend and reschedule the meeting at a time when a Representative of the Office of the Mississippi Attorney General can be present.

For additional information regarding Post-Award Debriefing, as well as the information that may be provided and excluded, please see Section 7-114 through 7-114.07, Post-Award Vendor Debriefing, of the *Mississippi Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB.

18.7 Protest of Award

Any actual or prospective bidder who is aggrieved in connection with this solicitation or the outcome of this IFB may file a protest with the Director of DFA's OPSCR. The protest shall be submitted on or before **Friday, April 6, 2018, 1:00 PM CST**, in writing after such aggrieved person or entity knows or should have known of the facts giving rise thereto. The written protest letter shall contain an explanation of the specific basis for the protest. All protests must be in writing, dated, signed by the bidder or an individual authorized to sign contracts on behalf of the protesting bidder, and contain a statement of the reason(s) for protest, citing the law(s), rule(s) and regulation(s) or procedure(s) on which the protest is based. The written protest letter shall contain an explanation of the specific basis for the protest. The protesting bidder must provide facts and evidence to support the protest. A protest is considered filed when received by the Director of DFA's OPSCR via either U.S. mail, postage prepaid, or by personal delivery. Protests filed after **Friday, April 6, 2018, 1:00 PM CST**, will not be considered.

Section 19 – Required Contract Terms and Conditions

Any contract entered into with a Contracting Agency pursuant to a Vendor/bidder being placed on the PVL shall have the required clauses found in Attachment G and those required by the *Mississippi Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB.

Section 20 – Optional Contract Terms and Conditions

Any contract entered into with a Contracting Agency pursuant to a Vendor/bidder being placed on the PVL may have, at the discretion of the Contracting Agency, the optional clauses found in Attachment H and those within the *Mississippi Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB.

Section 21 – Note to Agencies and Vendors

Agencies are cautioned that this procurement may not comply with guidelines from outside funding sources such as the federal Government or various grants. It is the Contracting Agency's responsibility, when using such funding sources, to verify that this IFB meets all state and federal procurement requirements. **This procurement does not replace currently active service contracts, and agencies will not be asked to terminate their current contracts.** Agencies do not have to contract with the Vendors on the PVL; however, using Vendors from the list will eliminate the need for procurement.

- i. the stop work order results in an increase in the time required for, or in Contractor's cost properly allocable to, the performance of any part of this contract; and,
 - ii. Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the Procurement Officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.
- c. *Termination of Stopped Work:* If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.

13. Termination for Convenience:

- a. *Termination.* The Agency Head or designee may, when the interests of the State so require, terminate this contract in whole or in part, for the convenience of the State. The Agency Head or designee shall give written notice of the termination to Contractor specifying the part of the contract terminated and when termination becomes effective.
- b. *Contractor's Obligations.* Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Contractor will stop work to the extent specified. Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Agency Head or designee may direct Contractor to assign Contractor's right, title, and interest under terminated orders or subcontracts to the State. Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

14. Termination for Default:

- a. *Default.* If Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Agency Head or designee may notify Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Agency Head or designee, such officer may terminate Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency Head or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Agency Head or designee. Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- b. *Contractor's Duties.* Notwithstanding termination of the contract and subject to any directions from the procurement officer, Contractor shall take timely, reasonable, and

necessary action to protect and preserve property in the possession of Contractor in which the State has an interest.

- c. *Compensation.* Payment for completed services delivered and accepted by the State shall be at the contract price. The State may withhold from amounts due Contractor such sums as the Agency Head or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
 - d. *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Agency Head or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the contract requirements. Upon request of Contractor, the Agency Head or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-price contracts, "Termination for Convenience". (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).
 - e. *Erroneous Termination for Default.* If, after notice of termination of Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
 - f. *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.
15. Termination Upon Bankruptcy: This contract may be terminated in whole or in part by Agency upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for

satisfactory work performed under this contract, but in no case shall said compensation exceed the total contract price.

16. Trade Secrets, Commercial and Financial Information: It is expressly understood that Mississippi law requires that the provisions of this contract which contain the commodities purchased or the personal or professional services provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret or confidential commercial or financial information and shall be available for examination, copying, or reproduction.
17. Transparency: This contract, including any accompanying exhibits, attachments, and appendices, is subject to the “Mississippi Public Records Act of 1983,” and its exceptions. See Mississippi Code Annotated §§ 25-61-1 *et seq.* and Mississippi Code Annotated § 79-23-1. In addition, this contract is subject to the provisions of the Mississippi Accountability and Transparency Act of 2008. Mississippi Code Annotated §§ 27-104-151 *et seq.* Unless exempted from disclosure due to a court-issued protective order, a copy of this executed contract is required to be posted to the Department of Finance and Administration’s independent agency contract website for public access at <http://www.transparency.mississippi.gov>. Information identified by Contractor as trade secrets, or other proprietary information, including confidential vendor information or any other information which is required confidential by state or federal law or outside the applicable freedom of information statutes, will be redacted.

ATTACHMENT H

Optional Clauses for Use in Service Contracts Resulting from this IFB (At Discretion of Contracting Agency)

Appendix H includes (alphabetically by title) various service contracting clauses which are available for use. Many clauses require the inclusion of additional information. A word or phrase in square brackets indicates that the information identified is to be inserted (e.g., [time], [date]). Clarifications of clauses are in parentheses within or at the end of the clause. These are discretionary and the Agency is neither required to use them nor prohibited from using others which are not included in this appendix.

1. Anti-assignment/Subcontracting: Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor's special skills and expertise. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the State in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.
2. Approval: It is understood that this contract requires approval by the Personal Service Contract Review Board. If this contract is not approved, it is void and no payment shall be made hereunder.
3. Attorney's Fees and Expenses: Subject to other terms and conditions of this agreement, in the event Contractor defaults in any obligations under this agreement, Contractor shall pay to the State all costs and expenses (including, without limitation, investigative fees, court costs, and attorney's fees) incurred by the State in enforcing this agreement or otherwise reasonably related thereto. Contractor agrees that under no circumstances shall the customer be obligated to pay any attorney's fees or costs of legal action to Contractor.
4. Authority to Contract: Contractor warrants: (a) that it is a validly organized business with valid authority to enter into this agreement; (b) that it is qualified to do business and in good standing in the State of Mississippi; (c) that entry into and performance under this agreement is not restricted or prohibited by any loan, security, financing, contractual, or other agreement of any kind; and, (d) notwithstanding any other provision of this agreement to the contrary, that there are no existing legal proceedings or prospective legal proceedings, either voluntary or otherwise, which may adversely affect its ability to perform its obligations under this agreement.
5. Confidentiality: Notwithstanding any provision to the contrary contained herein, it is recognized that Agency is a public agency of the State of Mississippi and is subject to the

Mississippi Public Records Act. Mississippi Code Annotated §§ 25-61-1 *et seq.* If a public records request is made for any information provided to Agency pursuant to the agreement and designated by the Contractor in writing as trade secrets or other proprietary confidential information, Agency shall follow the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1 before disclosing such information. The Agency shall not be liable to the Contractor for disclosure of information required by court order or required by law.

6. Contractor Personnel: The Agency shall, throughout the life of the contract, have the right of reasonable rejection and approval of staff or subcontractors assigned to the work by Contractor. If the Agency reasonably rejects staff or subcontractors, Contractor must provide replacement staff or subcontractors satisfactory to the Agency in a timely manner and at no additional cost to the Agency. The day-to-day supervision and control of Contractor's employees and subcontractors is the sole responsibility of Contractor.
7. Debarment and Suspension: Contractor certifies to the best of its knowledge and belief, that it:
 - a. is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transaction by any federal department or agency or any political subdivision or agency of the State of Mississippi;
 - b. has not, within a three-year period preceding this proposal, been convicted of or had a civil judgment rendered against it for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction;
 - c. has not, within a three-year period preceding this proposal, been convicted of or had a civil judgment rendered against it for a violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - d. is not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of these offenses enumerated in paragraphs two (2) and (3) of this certification; and,
 - e. has not, within a three-year period preceding this proposal, had one or more public transactions (federal, state, or local) terminated for cause or default.
18. Disclosure of Confidential Information: In the event that either party to this agreement receives notice that a third party requests divulgence of confidential or otherwise protected information and/or has served upon it a subpoena or other validly issued administrative or judicial process ordering divulgence of confidential or otherwise protected information that party shall promptly inform the other party and thereafter respond in conformity with such subpoena to the extent mandated by law. This section shall survive the termination or completion of this agreement. The parties agree that this section is subject to and superseded by Mississippi Code Annotated §§ 25-61-1 *et seq.*
19. Exceptions to Confidential Information: Contractor and the State shall not be obligated to treat as confidential and proprietary any information disclosed by the other party ("disclosing party") which:

- a. is rightfully known to the recipient prior to negotiations leading to this agreement, other than information obtained in confidence under prior engagements;
 - b. is generally known or easily ascertainable by nonparties of ordinary skill in the business of the customer;
 - c. is released by the disclosing party to any other person, firm, or entity (including governmental agencies or bureaus) without restriction;
 - d. is independently developed by the recipient without any reliance on confidential information;
 - e. is or later becomes part of the public domain or may be lawfully obtained by the State or Contractor from any nonparty; or,
 - f. is disclosed with the disclosing party's prior written consent
20. Errors in Extension: If the unit price and the extension price are at variance, the unit price shall prevail.
21. Failure to Deliver: In the event of failure of Contractor to deliver services in accordance with the contract terms and conditions, the Agency, after due oral or written notice, may procure the services from other sources and hold Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies that the Agency may have.
22. Failure to Enforce: Failure by the Agency at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of the Agency to enforce any provision at any time in accordance with its terms.
23. Final Payment: Upon satisfactory completion of the work performed under this contract, as a condition before final payment under this contract, or as a termination settlement under this contract, Contractor shall execute and deliver to the Agency a release of all claims against the State arising under, or by virtue of, the contract, except claims which are specifically exempted by Contractor to be set forth therein. Unless otherwise provided in this contract, by state law, or otherwise expressly agreed to by the parties in this contract, final payment under the contract or settlement upon termination of this contract shall not constitute waiver of the State's claims against Contractor under this contract.
24. Force Majeure: Each party shall be excused from performance for any period and to the extent that it is prevented from performing any obligation or service, in whole or in part, as a result of causes beyond the reasonable control and without the fault or negligence of such party and/or its subcontractors. Such acts shall include without limitation acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters ("force majeure events"). When such a cause arises, Contractor shall notify the State immediately in writing of the cause of its inability to perform, how it affects its performance, and the anticipated duration of the inability to perform. Delays in delivery or in meeting completion dates due to force majeure events shall automatically extend such dates for a period equal to the duration of the delay caused by such events, unless the State determines it to be in its best interest to terminate the agreement.

25. HIPAA Compliance: Contractor agrees to comply with the “Administrative Simplification” provisions of the Health Insurance Portability and Accountability Act of 1996, including electronic data interchange, code sets, identifiers, security, and privacy provisions, as may be applicable to the services under this contract.
26. Indemnification: To the fullest extent allowed by law, Contractor shall indemnify, defend, save and hold harmless, protect, and exonerate the agency, its commissioners, board members, officers, employees, agents, and representatives, and the State of Mississippi from and against all claims, demands, liabilities, suits, actions, damages, losses, and costs of every kind and nature whatsoever including, without limitation, court costs, investigative fees and expenses, and attorney’s fees, arising out of or caused by Contractor and/or its partners, principals, agents, employees and/or subcontractors in the performance of or failure to perform this agreement. In the State’s sole discretion, Contractor may be allowed to control the defense of any such claim, suit, etc. In the event Contractor defends said claim, suit, etc., Contractor shall use legal counsel acceptable to the State. Contractor shall be solely responsible for all costs and/or expenses associated with such defense, and the State shall be entitled to participate in said defense. Contractor shall not settle any claim, suit, etc. without the State’s concurrence, which the State shall not unreasonably withhold.
27. Independent Contractor Status: Contractor shall, at all times, be regarded as and shall be legally considered an independent contractor and shall at no time act as an agent for the State. Nothing contained herein shall be deemed or construed by the State, Contractor, or any third party as creating the relationship of principal and agent, master and servant, partners, joint ventures, employer and employee, or any similar such relationship between the State and Contractor. Neither the method of computation of fees or other charges, nor any other provision contained herein, nor any acts of the State or Contractor hereunder creates, or shall be deemed to create a relationship other than the independent relationship of the State and Contractor. Contractor’s personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of the State. Neither Contractor nor its employees shall, under any circumstances, be considered servants, agents, or employees of the Agency, and the Agency shall be at no time legally responsible for any negligence or other wrongdoing by Contractor, its servants, agents, or employees. The Agency shall not withhold from the contract payments to Contractor any federal or state unemployment taxes, federal or state income taxes, Social Security tax, or any other amounts for benefits to Contractor. Further, the Agency shall not provide to Contractor any insurance coverage or other benefits, including Worker’s Compensation, normally provided by the State for its employees.
28. Information Designated by Contractor as Confidential: Any disclosure of those materials, documents, data, and other information which Contractor has designated in writing as proprietary and confidential shall be subject to the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1. As provided in the contract, the personal or professional services to be provided, the price to be paid, and the term of the contract shall not be deemed to be a trade secret, or confidential commercial or financial information.

Any liability resulting from the wrongful disclosure of confidential information on the part of Contractor or its subcontractor shall rest with Contractor. Disclosure of any confidential

information by Contractor or its subcontractor without the express written approval of the Agency shall result in the immediate termination of this agreement.

29. Integrated Agreement/Merger: This agreement, including all contract documents, represents the entire and integrated agreement between the parties hereto and supersedes all prior negotiations, representations or agreements, irrespective of whether written or oral. This agreement may be altered, amended, or modified only by a written document executed by the State and Contractor. Contractor acknowledges that it has thoroughly read all contract documents and has had the opportunity to receive competent advice and counsel necessary for it to form a full and complete understanding of all rights and obligations herein. Accordingly, this agreement shall not be construed or interpreted in favor of or against the State or Contractor on the basis of draftsmanship or preparation hereof.
30. (Generally Contract Modification means any written alteration in contract requirements, deliverables, delivery point, rate of delivery, period of performance, quantity, or other provisions of any contract accomplished by mutual action of the parties to the contract. Modifications must be approved by the PPRB pursuant to Section 7-111 (Modifications) of the *Mississippi Office of Personal Service Contract Review Rules and Regulations* as updated and replaced by PPRB. Modifications shall not grant extra compensation, fee, or allowance to any Contractor after service is rendered or contract is made, unless contemplated within the contract itself or unless the scope of services is increased.) Modification or Renegotiation: This agreement may be modified only by written agreement signed by the parties hereto. The parties agree to renegotiate the agreement if federal and/or state revisions of any applicable laws or regulations make changes in this agreement necessary.
31. No Limitation of Liability: Nothing in this agreement shall be interpreted as excluding or limiting any tort liability of Contractor for harm caused by the intentional or reckless conduct of Contractor or for damages incurred through the negligent performance of duties by Contractor or the delivery of products that are defective due to negligent construction.
32. Notices: All notices required or permitted to be given under this agreement must be in writing and personally delivered or sent by certified United States mail, postage prepaid, return receipt requested, to the party to whom the notice should be given at the address set forth below. Notice shall be deemed given when actually received or when refused. The parties agree to promptly notify each other in writing of any change of address.

[Name, Title]	[Name, Title]
[Agency Name]	[Contractor Name]
[Address]	[Address]
[City, State, Zip]	[City, State, Zip]

33. Non-solicitation of Employees: Each party to this agreement agrees not to employ or to solicit for employment, directly or indirectly, any persons in the full-time or part-time employment of the other party until at least six (6) months after this agreement terminates unless mutually agreed to in writing by the State and Contractor.

34. Oral Statements: No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in this contract. All modifications to the contract must be made in writing by the Agency and agreed to by Contractor.
35. Ownership of Documents and Work Papers: Agency shall own all documents, files, reports, work papers and working documentation, electronic or otherwise, created in connection with the project which is the subject of this agreement, except for Contractor's internal administrative and quality assurance files and internal project correspondence. Contractor shall deliver such documents and work papers to Agency upon termination or completion of the agreement. The foregoing notwithstanding, Contractor shall be entitled to retain a set of such work papers for its files. Contractor shall be entitled to use such work papers only after receiving written permission from Agency and subject to any copyright protections.
36. (Please make sure you list all documents to be considered including amendments to the procurement or response, Questions and Answers to the procurement, etc. In addition, make sure the order of these documents always has State's documents first, and Contractor's documents last, in order to ensure that State's documents always take precedence. Consult with your Attorney General counsel if you have questions on the order of precedence. Delete if no documents need to be included.) Priority: The contract consists of this agreement with exhibits, the procurement IFB [number] (hereinafter referred to as IFB and attached as Schedule []), and the response bid dated [date] by [CONTRACTOR NAME] (hereinafter referred to as Bid and attached as Schedule []). Any ambiguities, conflicts or questions of interpretation of this contract shall be resolved by first, reference to this agreement with exhibits and, if still unresolved, by reference to the IFB and, if still unresolved, by reference to the Bid. Omission of any term or obligation from this agreement or attached Schedules [] or [] shall not be deemed an omission from this contract if such term or obligation is provided for elsewhere in this contract.
37. Quality Control: Contractor shall institute and maintain throughout the contract period a properly documented quality control program designed to ensure that the services are provided at all times and in all respects in accordance with the contract. The program shall include providing daily supervision and conducting frequent inspections of Contractor's staff and ensuring that accurate records are maintained describing the disposition of all complaints. The records so created shall be open to inspection by the Agency.
38. Record Retention and Access to Records: Provided Contractor is given reasonable advance written notice and such inspection is made during normal business hours of Contractor, the State or any duly authorized representatives shall have unimpeded, prompt access to any of Contractor's books, documents, papers, and/or records which are maintained or produced as a result of the project for the purpose of making audits, examinations, excerpts, and transcriptions. All records related to this agreement shall be retained by Contractor for three (3) years after final payment is made under this agreement and all pending matters are closed; however, if any audit, litigation or other action arising out of or related in any way to this project is commenced before the end of the three (3) year period, the records shall be retained for one (1) year after all issues arising out of the action are finally resolved or until the end of the three (3) year period, whichever is later.

39. Recovery of Money: Whenever, under the contract, any sum of money shall be recoverable from or payable by Contractor to the Agency, the same amount may be deducted from any sum due to Contractor under the contract or under any other contract between Contractor and the Agency. The rights of the Agency are in addition and without prejudice to any other right the Agency may have to claim the amount of any loss or damage suffered by the Agency on account of the acts or omissions of Contractor.
40. Right to Audit: Contractor shall maintain such financial records and other records as may be prescribed by the Agency or by applicable federal and state laws, rules, and regulations. Contractor shall retain these records for a period of three years after final payment, or until they are audited by the Agency, whichever event occurs first. These records shall be made available during the term of the contract and the subsequent three-year period for examination, transcription, and audit by the Mississippi State Auditor's Office, its designees, or other authorized bodies.
41. Right to Inspect Facility: The State may, at reasonable times, inspect the place of business of a Contractor or any subcontractor which is related to the performance of any contract awarded by the State.
42. Severability: If any part of this agreement is declared to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision of the agreement that can be given effect without the invalid or unenforceable provision, and to this end the provisions hereof are severable. In such event, the parties shall amend the agreement as necessary to reflect the original intent of the parties and to bring any invalid or unenforceable provisions in compliance with applicable law.
43. State Property: Contractor will be responsible for the proper custody and care of any state-owned property furnished for Contractor's use in connection with the performance of this agreement. Contractor will reimburse the State for any loss or damage, normal wear and tear excepted.
44. Third Party Action Notification: Contractor shall give the customer prompt notice in writing of any action or suit filed, and prompt notice of any claim made against Contractor by any entity that may result in litigation related in any way to this agreement.
45. Unsatisfactory Work: If, at any time during the contract term, the service performed or work done by Contractor is considered by the Agency to create a condition that threatens the health, safety, or welfare of the citizens and/or employees of the State of Mississippi, Contractor shall, on being notified by the Agency, immediately correct such deficient service or work. In the event Contractor fails, after notice, to correct the deficient service or work immediately, the Agency shall have the right to order the correction of the deficiency by separate contract or with its own resources at the expense of Contractor.
46. Waiver: No delay or omission by either party to this agreement in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, or in equity shall constitute an acquiescence therein, impair any other right, power or remedy hereunder or otherwise afforded by any means, or operate as a waiver of such right, power, or remedy. No waiver by either party to this agreement shall be valid unless set forth in writing by the party

making said waiver. No waiver of or modification to any term or condition of this agreement will void, waive, or change any other term or condition. No waiver by one party to this agreement of a default by the other party will imply, be construed as or require waiver of future or other defaults.
