SECTION 1. INTRODUCTION AND OVERVIEW

1.1 Purpose and Goals

The Mississippi Department of Finance and Administration (DFA) Office of Procurement and Contracts issues this Request for Proposals (RFP) to solicit proposals from qualified, experienced, responsible, and financially sound Offerors to provide waste collection and disposal services to properties owned and operated by the State of Mississippi. Offerors are required supply the number and sized dumpsters as specified in Section 4. These services are to be provided for the Office Capitol Facilities within DFA. The selected Offeror will assist DFA by providing such services as requested for which the Offeror has the capacity to render.

Offerors must have the proven ability to perform all services requested in this RFP. A more detailed list of services is contained in *Section 4 – Scope of Services*. DFA seeks to enter into a contract for these services for a firm fixed price, based on unit pricing. If, during the term of the contract, additional properties are purchased by DFA those properties may be added to this contract in accordance with winning Offeror’s unit pricing.

The awarded contract will be for three (3) years with two (2) optional renewal term, which may be exercised at the discretion of DFA. The effective date of this contract will be January 1, 2023. A draft copy of the contract has been included as Appendix C for your review.

This RFP and any resulting contract shall be governed by the applicable provisions of the *Mississippi Public Procurement Review Board (PPRB) Office of Personal Service Contract Review Rules and Regulations (OPSCR)*, a copy of which is available at 501 N. West Street, Suite 701E, Jackson, Mississippi 39201 for inspection or at <http://www.dfa.ms.gov/media/9413/pprb-opscr-rules-and-regulations-eficetive-01182020.pdf>.

A copy of this RFP, including all appendices and attachments, and any subsequent amendments, including the Question and Answer amendment, if issued, will be posted on the DFA website at <http://www.dfa.ms.gov> under the “Bid/RFP Notice” section. It is the responsibility of all interested vendors to monitor the website for updates regarding this procurement.

Before the award of any contract, the Offeror may be required to document to DFA that it has the necessary capabilities to provide the core services specified in this RFP. The Offeror may also be required to provide additional client references, as well as related project experience detail in order to satisfy DFA that the Offeror is qualified. DFA may make reasonable investigations, as it deems necessary and proper, to determine the ability of the Offeror to perform the work, and the Offeror shall be required to furnish to DFA all information that may be requested for this purpose. DFA reserves the right to reject any proposal if the Offeror fails to provide the requested information in a timely manner and/or fails to satisfy DFA that the Offeror is properly qualified to carry out the obligations of the contract and to complete the work described in this RFP.

1.2 Proposal Submission Requirements

If submitting in paper format, the original written proposal shall be signed and submitted in a three-ring binder, along with five (5) identical copies, with section components clearly tabbed as follows:

- a. Proposal Cover Sheet (Appendix A)
- b. **Section 2** – Introduction/Signed Proposal Cover Letter
- c. **Section 3** – Minimum Qualifications Confirmation
- d. **Section 4** – Scope of Services Confirmation
- e. **Section 5** – References (Appendix B)
- f. **Section 6** – Management Proposal
- g. **Section 7** – Cost Proposal (**Submitted separately**)
- h. **Section 8** – Signed Statement of Compliance
- i. **Section 9** – Signed Acknowledgment of RFP Amendments (if any)
- j. **Section 10** – Résumés for Key Staff

If submitting in the State’s eprocurement system, the Mississippi Accountability System for Government Information and Collaboration (MAGIC), the listed documents are required in electronic format.

Each page of the proposal must be numbered. Multiple page attachments and samples should be numbered internally within each document, and not necessarily numbered in the overall page number sequence of the entire proposal. The intent of this requirement is that the Offeror submit all information in a manner so that it is clearly referenced and easily located.

Additionally, the Offeror shall provide the following:

- a. One (1) electronic copy of the complete proposal including all attachments in a searchable Microsoft Office® format, preferably in Word® or Portable Document Format (PDF®).
- b. One (1) **BLIND** separate electronic copy of the required Financial Statements in a searchable Microsoft Office® format, preferably in Word® or Portable Document Format (PDF®). **All** vendor-identifying information shall be removed and/or redacted from the Offeror’s Financial Statements. Vendor-identifying information includes but is not limited to, any prior, current, and future names or addresses of the vendor, any names of incumbent staff, any prior, current, and future logos, watermarks, and company colors, any information, which identifies the vendor as an incumbent, and any other information, which would affect the blind evaluation of Cost Proposal factors. The “blind” copy shall *not* include the pricing information from Section 8, Cost Proposal or Section 11, Résumés for Key Staff. The “blind” requirement is necessary to help ensure the anonymity of the Offerors from the evaluation team that will review the aforementioned sections of your proposal. The “blind” copy should be provided in a searchable Microsoft Office® format, preferably in Word®. **Blind proposals containing vendor-identifying information may be disqualified.**
- c. If the proposal contains confidential information, one (1) redacted electronic copy of the complete proposal including all attachments shall be submitted in a searchable

Microsoft Office® format, preferably in Word® or Portable Document Format (PDF®).

If a redacted copy is not submitted, DFA shall consider the entire Proposal to be public record. The redacted copy should identify which section or information has been redacted and the Offeror shall provide the specific statutory authority for the exemption. Per Mississippi Code Annotated §25-61-9(7), the type of service to be provided, the price to be paid and the term of the contract cannot be deemed confidential.

The redacted copy shall be considered public record and immediately released, without notification to Offeror, pursuant to any request under the Mississippi Public Records Act, Miss. Code Ann. §§25-61-1 *et seq.* and Miss. Code Ann. §79-23-1. Redacted copies shall also be used/released for any reason deemed necessary by DFA, including but not limited to, submission to the PPRB, posting to the Transparency Mississippi website, etc.

Modifications or additions to any portion of the RFP may be cause for rejection of the Proposal. DFA reserves the right to decide, on a case-by-case basis, whether to reject a proposal with modifications or additions as non-responsive. As a precondition to proposal acceptance, DFA may request the Offeror to withdraw or modify those portions of the proposal deemed non-responsive that do not affect quality, quantity, price, or delivery of the service. The RFP issued by DFA is the official version and will supersede any conflicting RFP language subsequently submitted in proposals.

All documentation submitted in response to this RFP and any subsequent requests for information pertaining to this RFP shall become the property of DFA and will not be returned to the Offeror. All information requested is considered important. Failure to provide all requested information and in the required format may result in disqualification of the Proposal. DFA has no obligation to locate or acknowledge any information in the proposal that is not presented under the appropriate outline and in the proper location according to the instructions herein.

Proposals must be submitted in writing using the attached forms and if submitted by mail or delivery to the following address:

**Department of Finance and Administration
Office of Procurement and Contracts
501 North West Street
Suite 1301-A Woolfolk Building
Jackson, Mississippi 39201**

To prevent opening by unauthorized individuals, the proposal, including any and all attachments, must be sealed in one package. The outside cover of the package containing the sealed proposals **shall be labeled:**

**Proposal – DO NOT OPEN
Waste Collection and Disposal Services RFP
RFx # 3120002450**

Proposals shall be submitted in two (2) binders. The Cost Proposal (Tab G/Section 7) shall be submitted in separate binder. All other proposal tabs shall be submitted in a second binder.

1.2.1 Proposal Submission Period

Proposals shall be submitted to DFA’s Office of Procurement and Contracts or via the State of Mississippi’s MAGIC system no later than 2:00 PM Central Standard Time (CST), July 21, 2022. Timely submission of the proposal package is the responsibility of the Offeror. Any proposal received after the deadline will be considered late and will be rejected and will not be considered for award. The Offeror shall be notified as soon as practicable if their proposal was rejected and the reason for such rejection.

It is suggested that if a proposal is mailed to DFA, it should be posted in certified mail with a return receipt requested. A proposal received at the place designated in the solicitation for receipt of proposals after the exact time specified for receipt shall not be considered unless it determined by DFA that the late receipt was due solely to mishandling by DFA after receipt at the specified address.

DFA will not be responsible for mail delays or lost mail.

Questions received after June 24, 2022, may be considered for response, although there is no guarantee as to if or when a response will be provided.

It is the Offeror's sole responsibility to regularly monitor the website for amendments and/or announcements concerning this RFP.

1.5 Acknowledgment of Amendments

DFA reserves the right to amend this RFP at any time. Should an amendment to the RFP be issued, it will be posted to the Office of Procurement and Contracts page on the DFA website at <http://www.dfa.ms.gov> under the "Bid/RFP Notice". Offerors must acknowledge receipt of any amendment to the RFP by signing and returning the amendment. The acknowledgment must be included in the proposal submission. Please monitor the website for amendments to the RFP. DFA responses to questions will be treated as amendments to the RFP and will require acknowledgment.

1.6 Cost of Proposal Preparation

All costs incurred by the Offeror in preparing and delivering its proposal, making presentations, and any subsequent time and travel to meet with DFA regarding its proposal shall be borne exclusively at the Offeror's expense.

1.7 Right to Reject, Cancel and/or Issue Another RFP

DFA specifically reserves the right to reject any or all proposals received in response to the RFP, cancel the RFP in its entirety, or issue another RFP.

1.8 Registration with Mississippi Secretary of State

By submitting a proposal, the Offeror certifies that it is registered to do business in the state of Mississippi as prescribed by Mississippi law and the Mississippi Secretary of State or, if not already registered, that it will do so within seven (7) business days of being notified by DFA Office of Procurement and Contracts that it has been awarded a contract.

1.9 Debarment

By submitting a proposal, the Offeror certifies that it is not currently debarred from submitting proposals for contracts issued by any political subdivision or agency of the state of Mississippi or Federal government and that it is not an agent of a person or entity that is currently debarred from submitting proposals for contracts issued by any political subdivision or agency of the state of Mississippi.

1.10 Statement of Compliance Requirement

Please carefully review the information located in *Section 8 – Statement of Compliance* and include a copy **signed by an officer, principal, or owner** of your company with your completed proposal. Failure to submit a signed Statement of Compliance may result in your proposal being eliminated from further consideration. If you object to any of the terms and conditions included in the *Waste Collection and Disposal Services Draft Contract* (see Appendix C), or any requirements listed in this RFP, please note, and explain your objections on the Statement of Compliance. Clauses in *italic blue* type in the *Waste Collection and Disposal Services Draft Contract* (see Appendix C) are deemed mandatory and are nonnegotiable.

1.11 State Approval

It is understood that this contract shall require approval by the PPRB. If this contract is not approved, it is void and no payment shall be made hereunder. Every effort shall be made by DFA to facilitate rapid approval and a start date consistent with the proposed schedule.

SECTION 2. PROCUREMENT METHODOLOGY

2.1 Restrictions on Communications with DFA Staff

At no time shall any Offeror or its personnel contact, or attempt to contact, any DFA staff regarding this RFP except the Office of Procurement and Contracts. All correspondence should be sent to procurement@dfa.ms.gov. **Should it be determined that any Offeror has attempted to communicate or has communicated with any DFA employee outside of the Office of Procurement and Contracts regarding this RFP, DFA, at its discretion, may disqualify the Offeror from submitting a proposal in response to this RFP.**

2.2 Acceptance of Proposals

After receipt of the proposals, DFA reserves the right to award the contract based on the terms, conditions, and premises of the RFP and the proposal of the selected company without negotiation.

All proposals properly submitted shall be accepted by DFA. After review DFA may request necessary amendments from all Offerors, reject any or all proposals received, or cancel this RFP, according to the best interest of DFA and the State of Mississippi.

DFA also reserves the right to waive minor irregularities in proposals providing such action is in the best interest of DFA and the State of Mississippi. A minor irregularity is defined as a variation of the RFP which does not affect the price of the proposal or give one party an advantage or benefit not enjoyed by other parties, or adversely impact the interest of DFA. Where DFA may waive minor irregularities as determined by DFA, such waiver shall in no way modify the RFP requirements or excuse the Offeror from full compliance with the RFP specifications and other contract requirements should the Offeror be awarded the contract.

DFA reserves the right to exclude any and all non-responsive proposals from any consideration for contract award. DFA shall award firm fixed contract, based on unit pricing, to the Offeror whose proposal is responsive to the solicitation and is most advantageous to DFA and the State of Mississippi in price, quality, and other factors considered.

2.3 Disposition of Proposal

The proposal submitted by the successful Offeror shall be incorporated into and become part of the resulting contract. All proposals received by DFA shall upon receipt become and remain the property of DFA. DFA shall have the right to use all concepts contained in any proposal and this right shall not affect the solicitation or rejection of the proposal.

2.4 Modification or Withdrawal of a Proposal

Prior to the proposal due date, a submitted proposal may be withdrawn by submitting a written request for its withdrawal to DFA, signed by the Offeror.

A proposal may submit an amended proposal before the due date for receipt of proposals. Such amended proposals shall be a complete replacement for a previously submitted proposal and shall be clearly identified as such. DFA shall not merge, collate, or assemble proposal materials.

Unless requested by DFA, no other amendments, revisions, or alterations to proposals shall be accepted after the proposal due date.

Any submitted proposal shall remain a valid proposal for one hundred eighty (180) calendar days from the proposal due date.

2.5 Rejection of Proposals

A proposal response that includes terms and conditions that do not conform to the terms and conditions specified within this RFP document is subject to rejection as non-responsive. Further, submission of a proposal that is not complete and/or unsigned is subject to rejection as non-responsive. DFA staff reserves the right to permit the Offeror to withdraw nonconforming terms and conditions from its proposal response prior to a determination by DFA staff of non-responsiveness based on the submission of nonconforming terms and conditions. Any proposal which is conditioned upon receiving award of both the particular contract being solicited and another Mississippi contract shall be deemed non-responsive and will be rejected.

2.6 Alternate Proposals

Each Offeror, its subsidiaries, affiliates, or related entities shall be limited to one (1) proposal which is responsive to the requirements of this RFP. Failure to submit a responsive proposal may result in the rejection of the Offeror's proposal. Submission of more than one (1) proposal by an Offeror may, at the discretion of DFA, result in the summary rejection of all proposals submitted. An Offeror's proposal shall not include variable or multiple pricing options.

2.7 Corrections and Clarifications

The Office of Procurement and Contracts reserves the right to request clarifications or corrections to proposals. Any proposal received which does not meet any of the requirements of this RFP, including clarification or correction requests, may be considered non-responsive and eliminated from further consideration.

2.8 Proposal Evaluation

All proposals received in response to this RFP by the stated deadline will receive a comprehensive, fair, and impartial evaluation. An evaluation committee will evaluate the proposals using a three-phase process, consisting of Compliance Phase, Analysis Phase, and Finalist phases. For proposals determined to be compliant and responsive to the RFP, consensus scoring will be used in the evaluation process using a 100-point scale. Consensus scoring involves solidarity or general agreement of opinion among evaluators, based on information and data contained in the RFP responses. The evaluation of any proposal may be suspended and/or terminated at DFA's discretion at any point during the evaluation process at which DFA determines that said proposal and/or Offeror fails to meet any of the mandatory requirements as stated in this RFP, the proposal is determined to contain fatal deficiencies to the extent that the likelihood of selection for contract negotiations is minimal, or DFA receives reliable information that would make contracting with the Offeror impractical or otherwise not in the best interests of the State of Mississippi. The evaluation process, including evaluation factors and weights, is described below:

Compliance Phase - in this phase of the evaluation process, the procurement officer and/or designee to determine if the following mandatory requirements of this RFP have been satisfied will review all proposals received:

1. Proposal submission deadline met.
2. Required format followed:
 - a. Signed original proposal along with the required five (5) of the complete proposal.
 - b. Electronic copy of complete proposal, including attachments in searchable Microsoft Office® format, preferably in Word® or Portable Document Format (PDF®) on flash drive or compact disc.
 - c. An electronic redacted copy of complete proposal, including attachments (as applicable).
3. Duration of proposal requirement met.
4. Minimum Qualifications met.
5. Scope of Services (Section 4) Confirmation submitted.
6. References (Section 5) provided.
7. Management Proposal (Section 6) answered.
8. Cost Proposal (Section 7) provided **(Submitted separately)**.
9. Signed Statement of Compliance (Section 8) submitted.
10. Signed Acknowledgement of RFP Amendment(s) (Section 9), including the amendment with DFA's Responses to Questions, if any posted, submitted.
11. Résumés for Key Staff (Section 10) provided.

Failure to comply with these requirements may result in the proposal being eliminated from further consideration. Those Offerors passing the Compliance Phase will be evaluated further.

Weight – The Compliance Phase of the evaluation is considered pass/fail.

Analysis Phase – In this phase of the evaluation process, the evaluation committee will utilize consensus scoring to determine numerical scores for each qualified, but **de-identified/blind as applicable**, proposal received, relative to the technical, management and cost section of each proposal. Evaluation factors are listed in order of their relative importance and weight:

1. Cost Proposal (Weight/Value – 60%) – The competitiveness of the proposed fees.
 - a. Price (Weight/Value 50%) DFA will use a formula to allocate points for Price. The maximum 50% points will be assigned to the lowest, responsive, and responsible proposal price. All other proposals will be assigned points based on the following formula:

$$\frac{X}{Y} * 50 = Z$$

X = lowest bid price

Y = Offeror's price

Z = assigned points

- b. The Offeror shall demonstrate financial responsibility. Offerors shall include their statements of financial standing for the last three (3) Fiscal Years. **Financial Statements shall be de-identified/blind.** (Weight/Value 5%)
 - c. The Offeror shall provide a written commitment to supply a Performance Bond in the event of contract award. The amount of the Performance Bond shall initially be the three (3) year contract term total price/cost. The Offeror shall commit to increasing the amount of the Performance Bond according to each optional renewal year cost, as utilized. (Weight/Value 5%)
2. Management Proposal (Weight/Value – 40%) – The personnel, equipment, facilities, and other resources to provide timely services for an entity of comparable size; the ability to technically implement and maintain the structure and resources for providing all services listed in this RFP, demonstrating where applicable the ability to perform the service reflected by technical training, education and general experience of staff and a documented record of past performance of providing services.
 3. Scope of Services Confirmation (Written Confirmation) – The Offeror shall confirm it has the capability, solutions, and action plan for providing the core services identified in Section 4 Scope of Services by DFA. **Weight/Value – This component of the evaluation is considered pass/fail.**
 4. Record of Past Performance of Similar Work (Experience and Qualifications) – From among the finalists, the client references will be contacted to verify demonstration of an acceptable level of past performance for programs of a similar size and complexity as DFA. **Weight/Value – This component of the evaluation is considered pass/fail.**

Upon completion of the Analysis Phase, the evaluation committee will review and compare the numerical scores from among the qualified Offerors to determine the finalists. The top scoring Offeror, as well as all other Offerors with scores within ten points of the top scoring Offeror, will be named as finalists and will be further evaluated.

Finalist Phase – In this phase of the evaluation process, the evaluation committee will seek to determine from among the finalists whose proposal is the most advantageous to DFA. This phase consists of the following components:

Best and Final Offer – At DFA’s discretion, all finalists may be given the opportunity to provide a “best and final offer” relative to their financial proposal. DFA will notify the finalists if a “best and final offer” may be submitted and will establish a date and time for submission. Although a finalist is under no obligation to submit such an offer, any such “best and final” offer should include any applicable revised financial exhibits and must be signed by an appropriate representative of your company. If a finalist chooses to not make a “best and final offer”, the financial proposal included in your company’s response to the Request for Proposal will be considered as the “best and final offer”. NOTE: Unsolicited “best and final offers”, including but not limited to such offers submitted by non-finalists, will not be accepted. **Weight/Value – The numerical scores in the formula for the Cost Proposal from the Analysis Phase will be adjusted for any “best and final offer” received from a finalist.**

2.9 Right of Negotiation

Discussions and negotiations regarding price and other matters may be conducted with an Offeror who submits a proposal determined to have reasonable likelihood of being selected for award, but a proposal may be accepted without such discussions. DFA reserves the right to further clarify and/or negotiate with the Offeror evaluated best following completion of the evaluation of proposals but prior to contract execution, if deemed necessary by DFA. The DFA also reserves the right to move to the next best Offeror if negotiations do not lead to an executed contract with the best Offeror. DFA reserves the right to further clarify and/or negotiate with the Offeror on any matter submitted.

2.10 Post Award Debriefing

A vendor, successful or unsuccessful, may request a post-award vendor debriefing, in writing, by U.S. mail or electronic submission, to be received by DFA within three (3) business days of notification of the contract award. A vendor debriefing is a meeting and not a hearing; therefore, legal representation is not required. If a vendor prefers to have legal representation present, the vendor shall notify DFA and identify its attorney. DFA shall be allowed to schedule and/or suspend and reschedule the meeting at a time when a representative of the Office of the Mississippi Attorney General can be present.

2.11 Protest of Solicitation or Award

Any actual or prospective Offeror or Offerors who are aggrieved in connection with the solicitation or award of a contract may protest to DFA's Office of Procurement and Contracts with a copy to the Director of the OPSCR. The protest shall be submitted in writing within seven (7) calendar days of the Notice of Intent to Award or within seven (7) calendar days of the solicitation posting if the protest is based on the solicitation.

A protest is considered filed when received by the Office of Procurement and Contracts. Protests filed after the seven (7) day period shall not be considered.

To file a protest directly to the PPRB, the aggrieved party shall file a protest with OPSCR within seven (7) calendar days after the aggrieved party knew or should have known of the facts and circumstances upon which the protest is based, but in no event later than within seven (7) calendar days of the solicitation posting or Notice of Intent to Award.

2.11.1 Content of Protest

To expedite handling of protests, the envelope should be labeled "Protest". The written protest shall include as a minimum the following:

1. The name and address of the protestor.
2. Appropriate identification of the procurement and if a contract has been awarded, its number.
3. A statement of reasons for the protest.

4. Supporting exhibits, evidence, or documents to substantiate any claims unless not available within the filing time in which case the expected availability date shall be indicated.

2.11.2 Protest Decision

If the protest is not resolved by mutual agreement, the Agency Head shall promptly issue a decision in writing. The decision shall: (a) state the reasons for the action taken; and (b) inform the protestor of the right to administrative review. A copy of the decision shall be mailed or otherwise furnished in writing immediately to the protestor and any other interested party.

A decision shall be final and conclusive, unless fraudulent, or any person adversely affected by the decision appeals administratively to the PPRB.

2.11.3 Stay of Solicitation or Award

In the event of a timely protest, the agency shall not proceed further with the solicitation or with the award of the contract until the PPRB approves the determination that continuation of the solicitation or award of the contract without delay is necessary to protect substantial interests of the State.

2.11.4 Right to Appeal

Any person adversely affected by the protest decision of an Agency Head may appeal administratively to the PPRB.

For an appeal under this section, the aggrieved person shall file an appeal within seven (7) calendar days of receipt of a Protest Decision.

SECTION 3. MINIMUM QUALIFICATIONS

The following minimum qualifications and legal responsibilities are mandatory. Please respond by restating each requirement, including the number, listed below with documentation that proves specifically how your company meets the qualifications. Please include in your responses the total number of years and types of experience of your company. If, in the opinion of the Office of Procurement and Contracts, the Offeror fails to prove that the proposing company meets any of these minimum qualifications, the proposal will be disqualified from further evaluation. If this happens, the Offeror will be notified of the decision and will have an opportunity to provide additional information to prove the company does meet the minimum qualifications. It is incumbent upon the disqualified Offeror to respond timely and completely to any such notice as unreasonable delays and/or non-responsive submissions may result in the disqualification being upheld without further review.

1. Offeror shall have at least five (5) years' experience as an organization providing solid waste collection and disposal services for a government entity and/or organization that is similar in size and/or scope to the State of Mississippi. Offeror must describe in detail how this requirement is met. Please indicate the month and year in which the proposing company was established.

Such policy of insurance shall provide a minimum coverage in the amount of Five Hundred Thousand dollars (\$500,000) with the State of Mississippi added as an additional insured. Insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.
3. The Offeror represents that it shall maintain, at its own expense, Motor Vehicle Liability coverage. Such policy of insurance shall provide a minimum coverage in the amount of Five Hundred Thousand dollars (\$500,000) with the State of Mississippi added as an additional insured. Insurance carriers must be licensed or hold a Certificate of Authority from the Mississippi Department of Insurance.

Please respond to *Section 4 – Scope of Services* by restating each service listed and confirm your intention to provide the service as described by responding, “*Confirmed*”. If your company can provide the service, but not exactly as described, respond, “*Confirmed, but with exceptions*”, and state the specific exceptions. - A. The effective date of this Contract will be January 1, 2023. This Contract's term will be for three (3) years with two (2) optional one-year renewals to be exercised at the discretion of DFA. The Contractor must submit all invoices, in a timely manner and in a form acceptable to the DFA (provided that such acceptance will not be unreasonably withheld) with all the necessary supporting documentation, prior to any payment to the Contractor. No additional compensation will be provided by the DFA for any expense, cost, or

fee not specifically authorized by this Contract, or by written authorization from the DFA.

- C. The payment of an invoice by the DFA shall not prejudice the DFA's right to object or question any invoice or matter in relation thereto. Such payment by the DFA shall neither be construed as acceptance of any part of the work or service provided nor as an approval of any costs invoiced therein. The Contractor's invoice or payment may be subject to further reduction for amounts included in any invoice or payment theretofore made which are determined by the DFA, on the basis of audits, not to constitute allowable costs.

4. Availability of Funds

It is expressly understood and agreed that the obligation of the DFA to proceed under this Contract is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the Contract are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the DFA, the DFA shall have the right upon ten (10) working days written notice to Contractor, to terminate this Contract without damage, penalty, cost or expenses to the DFA of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

5. E-Payment

Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice. Mississippi Code Annotated § 31-7-301 et seq.

6. Paymode

Payments by state agencies using the State's accounting system shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of Contractor's choice. Whenever, under the Contract, any sum of money shall be recoverable from or payable by the Contractor to the DFA, the same amount may be deducted from any sum due to the Contractor under the Contract or under any other Contract between the Contractor and the DFA. right the DFA may have to claim the amount of any loss or damage suffered by the DFA on account of the acts or omissions of the Contractor.

All such discrimination is unlawful and Contractor agrees during the term of this Contract that Contractor will strictly adhere to this policy in its employment practices and provision of services. Contractor shall comply with, and all activities under this Contract shall be subject to, all applicable federal, State of Mississippi, and local laws and regulations, as now existing and as may be amended or modified.

10. Force Majeure

Each party shall be excused from performance for any period and to the extent that it is prevented from performing any obligation or service, in whole or in part, as a result of causes beyond the reasonable control and without the fault or negligence of such party and/or its subcontractors. Such acts shall include without limitation acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, earthquakes, floods, or other natural disasters (“force majeure events”). When such a cause arises, Contractor shall notify the State immediately in writing of the cause of its inability to perform, how it affects its performance, and the anticipated duration of the inability to perform. Delays in delivery or in meeting completion dates due to force majeure events shall automatically extend such dates for a period equal to the duration of the delay caused by such events, unless the State determines it to be in its best interest to terminate the agreement.

11. Site Rules and Regulations

Contractor shall use its best efforts to ensure that its employees and agents, while on DFA premises, shall comply with site rules and regulations.

12. Anti-Assignment/Subcontracting

Contractor acknowledges that it was selected by the State to perform the services required hereunder based, in part, upon Contractor’s special skills and expertise. Contractor shall not assign, subcontract, or otherwise transfer this agreement, in whole or in part, without the prior written consent of the State, which the State may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the State of any subcontract shall be deemed in any way to provide for the incurrence of any

obligation of the State in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.

13. Confidentiality

Notwithstanding any provision to the contrary contained herein, it is recognized that DFA is a public agency of the State of Mississippi and is subject to the Mississippi Public Records Act. Mississippi Code Annotated §§ 25-61-1 et seq. If a public records request is made for any information provided to DFA pursuant to the contract and designated by the Contractor in writing as trade secrets or other proprietary confidential information, DFA shall follow the provisions of Mississippi Code Annotated §§ 25-61-9 and 79-23-1 before disclosing such information. The DFA shall not be liable to the Contractor for disclosure of information required by court order or required by law.

14. Disclosure of Confidential Information

In the event that either party to this Contract receives notice that a third party requests divulgence of confidential or otherwise protected information and/or has served upon it a subpoena or other validly issued administrative or judicial process ordering divulgence of confidential or otherwise protected information that party shall promptly inform the other party and thereafter respond in conformity with such subpoena to the extent mandated by law. This section shall survive the termination or completion of this Contract. The parties agree that this section is subject to and superseded by Mississippi Code Annotated §§ 25-61-1 et seq.

Any liability resulting from the wrongful disclosure of confidential information on the part of Contractor or its subcontractor shall rest with Contractor. Disclosure of any confidential information by Contractor or its subcontractor without the express written approval of the Agency shall result in the immediate termination of this contract.

15. Transparency

This Contract, including any accompanying exhibits, attachments, and appendices, is subject to the “Mississippi Public Records Act of 1983,” and its exceptions. See Mississippi Code Annotated §§ 25-61-1 et seq. and Mississippi Code Annotated § 79-23-1. In addition, this Contract is subject to the provisions of the Mississippi Accountability and Transparency Act of 2008. Mississippi Code Annotated §§ 27-104-151 et seq. Unless exempted from disclosure due to a court-issued protective order, a copy of this executed Contract is required to be posted to the Mississippi Department of Finance and Administration’s independent agency contract website for public access at <http://www.transparency.mississippi.gov>. Information identified by Contractor as trade secrets, or other proprietary information, including confidential Contractor information or any other information which is required confidential by state or federal law or outside the applicable freedom of information statutes, will be redacted.

16. Contractor Personnel

The DFA shall, throughout the life of the Contract, have the right of reasonable rejection and approval of staff or subcontractors assigned to the work by the Contractor. If the DFA reasonably rejects staff or subcontractors, the Contractor must provide replacement staff or subcontractors satisfactory to the DFA in a timely manner and at no additional cost to the DFA. The day-to-day supervision and control of the Contractor's employees and subcontractors is the sole responsibility of the Contractor.

17. Independent Contractor

The Contractor shall, at all times, be regarded as and shall be legally considered an Independent Contractor and shall at no time act as an agent for the DFA. Nothing contained herein shall be deemed or construed by DFA, Contractor, or any third party as creating the relationship of principal and agent, master and servant, partners, joint ventures, employer and employee, or any similar such relationship between DFA and Contractor. Neither the method of computation of fees or other charges, nor any other provision contained herein, nor any acts of DFA or Contractor hereunder creates, or shall be deemed to create a relationship other than the independent relationship of DFA and Contractor. Contractor's personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of DFA. No act performed or representation made, whether oral or written, by the Contractor with respect to third parties shall be binding on the DFA. Neither the Contractor nor its employees shall, under any circumstances, be considered servants, agents, or employees of the DFA; and the DFA shall at no time be legally responsible for any negligence or other wrongdoing by the Contractor, its servants, agents, or employees. Further, DFA shall not provide to Contractor any insurance coverage or other benefits, including Workers' Compensation, normally provided by DFA for its employees.

18. E-Verification

cancellation/termination being made public; (ii) the loss of any license, permit, certification or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year; or, (iii) both. In the event of such cancellations/termination, Contractor would also be liable for any additional costs incurred by the State due to Contract cancellation or loss of license or permit to do business in the State.

If, at any time during the contract term, the service performed or work done by Contractor is considered by DFA to create a condition that threatens the health, safety, or welfare of the citizens and/or employees of the State of Mississippi, Contractor shall, on being notified by DFA, immediately correct such deficient service or work. In the event Contractor fails, after notice, to correct the deficient service or work immediately, DFA shall have the right to order the correction of the deficiency by separate contract or with its own resources at the expense of Contractor.

21. Debarment and Suspension

22. Modification or Renegotiation

This Contract may be modified only by written Contract signed by the parties hereto. The parties agree to renegotiate the Contract if federal, state and/or the DFA revisions of any applicable laws or regulations make changes in this Contract necessary.

23. Procurement Regulations

This Contract shall be governed by the applicable provisions of the Mississippi Public Procurement Review Board (PPRB), Office of Personal Service Contract Review Rules and Regulations (OPSCR), a copy of which is available at 501 North West Street, Suite 701E, Jackson, Mississippi 39201 for inspection, or downloadable at www.DFA.ms.gov.

24. Representation Regarding Contingent Fees

Contractor represents that it has not retained a person to solicit or secure a state contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except as disclosed in Contractor's bid or proposal.

25. Representation Regarding Gratuities

The Contractor represents that it has not violated, is not violating, and promises that it will not violate the prohibition against gratuities set forth in Section 6-204 (Gratuities) of the Mississippi Public Procurement Review Board Office of Personal Service Contract Review Rules and Regulations.

26. Termination upon Bankruptcy

This Contract may be terminated in whole or in part by DFA upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. In the event of such termination, Contractor shall be entitled to recover just and equitable compensation for satisfactory work performed under this contract, but in no case shall said compensation exceed the total Contract price.

27. Termination for Convenience

A. Termination. The Agency Head or designee may, when the interests of the State so require, terminate this Contract in whole or in part, for the convenience of the State. The Agency Head or designee shall give written notice of the termination to Contractor specifying the part of the Contract terminated and when termination becomes effective.

B. Contractor's Obligations. Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination, Contractor will stop work to the extent specified. Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Agency Head or designee may direct Contractor to assign Contractor's right, title, and interest under terminated orders or

subcontracts to the State. Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

28. Termination for Default

- A. Default. If Contractor refuses or fails to perform any of the provisions of this Contract with such diligence as will ensure its completion within the time specified in this Contract or any extension thereof, or otherwise fails to timely satisfy the Contract provisions, or commits any other substantial breach of this Contract, the Agency Head or designee may notify Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Agency Head or designee, such officer may terminate Contractor's right to proceed with the Contract or such part of the Contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency Head or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Agency Head or designee. Contractor shall continue performance of the Contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.
- B. Contractor's Duties. Notwithstanding termination of the Contract and subject to any directions from the Chief Procurement Officer, Contractor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of Contractor in which the State has an interest.
- C. Compensation. Payment for completed services delivered and accepted by the State shall be at the Contract price. The State may withhold from amounts due Contractor such sums as the Agency Head or designee deems to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders and to reimburse the State for the excess costs incurred in procuring similar goods and services.
- D. Excuse for Nonperformance or Delayed Performance. Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this Contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Agency Head or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the Contract requirements. Upon request of Contractor, the Agency Head or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was

occasioned by any one or more of the excusable causes, and that, but for the excusable cause, Contractor's progress and performance would have met the terms of the Contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled "Termination for Convenience. (As used in this paragraph of this clause, the term "subcontractor" means a subcontractor at any tier).

- E. Erroneous Termination for Default. If, after notice of termination of Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the Contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (D) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience for the State, be the same as if the notice of termination had been issued pursuant to a termination for convenience.
- F. Additional Rights and Remedies. The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this Contract.

29. Stop Work Order

- A. Order to stop work. The Chief Procurement Officer, may by written order to the Contractor at any time, and without notice to any surety, require the Contractor to stop all or any part of the work called for by this Contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to Contractor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, Contractor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Chief Procurement Officer shall either (i) cancel the stop work order; or (ii) terminate the work covered by such order as provided in the "Termination for Default" clause or the "Termination for Convenience" clause of this Contract.
- B. Cancellation or Expiration of the Order. If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, Contractor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Contractor price, or both, and the Contract shall be modified in writing accordingly, if: (i) the stop work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this Contract; and, (ii) Contractor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the Chief Procurement Officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this Contract.

- C. Termination of Stopped Work. If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.
- D. Adjustment of Price. Any adjustment in Contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment clause of this Contract.

In the State's sole discretion upon approval of the Mississippi Attorney General, Contractor may be allowed to control the defense of any such claim, suit, etc. In the event Contractor defends said claim, suit, etc., the Contractor shall use legal counsel acceptable to the Office of the Mississippi Attorney General. If the Contractor believes that any particular work is not within the scope of the project, is a material change, or will otherwise require more compensation to the Contractor, the Contractor must immediately notify the DFA in writing of this belief. If the DFA believes that the particular work is within the scope of the Contract as written, the Contractor will be ordered to and shall continue with the work as changed and at the cost stated for the work within the Contract.

Contractor agrees that under no circumstances shall the customer be obligated to pay any attorney's fees or costs of legal action to Contractor.

40. Failure to Enforce

Failure by the DFA at any time to enforce the provisions of the Contract shall not be construed as a waiver of any such provisions.
