The Mississippi Department of Finance and Administration (DFA) issued a Request for Proposals (RFP) to secure vendors to provide Pre-need Disaster Debris Removal Services. The primary purposes of this RFP are to contract for removal of all eligible disaster-generated debris from a county/city's right of way and the proper disposal of all eligible disaster-generated debris. These services are to be provided to counties and cities of Mississippi, in the nine MEMA regions. The awarded contracts term will be one (1) year with one (1) optional renewal year. These contracts are optional and no county/city is required to purchase services from these contracts.

In response to the RFP, DFA received eight (8) proposals by the submission deadline of January 11, 2024. One vendor was deemed non-responsive. Below is the rank of the responses for Region 2.

1. Ceres Environmental Services Inc.
2. DRC Emergency Services of MS, Inc.
3. Looks Great Services
4. Southern Disaster Recovery LLC
5. Ashbritt, Inc.
6. TFR Enterprises, Inc.
7. Dynamic Group LLC
8. Holliday Construction LLC

Based on reviews by an evaluation committee, DFA recommends the contract for Pre-need Disaster Debris Removal Services to Ceres Environmental Services Inc., for Region 2.
