The Way of Water

New long-range Avatar: The Way of Water opening weekend box office projections have the sequel nearly doubling James Cameron's first movie. The original 2009 sci-fi film broke all sorts of box office records on its path to becoming the highest-grossing movie of all time. Avatar's incredible box office success has in turn brought a lot of attention to how much money Sony: Avatar 2: The Way of Water will make. Even though no one expects the sequel to outgross Avatar's \$2.9 billion worldwide haul, the movie's big budget and Disney's investment in the franchise's future means that there livia Wilde's directorial debut, Booksmart, was a likable enough, if enervatingly simplistic, coming-of-age comedy with no real aesthetic vision. The filmmaker's follow-up, Don't Worry Darling, attempts to blend numerous genres at once, from psychological thriller to domestic melodrama to, well, that would probably be a spoiler. But Wilde doesn't effectively harmonize these distinct genres, which is made all the more frustrating by Katie Silberman's script repeatedly telegraphing the twists that are meant to keep turning both the characters' and audience's understanding of events on its head.

The film concerns Alice (Florence Pugh), a housewife who lives in marital bliss with her husband, Jack (Harry Styles), in a 1950s town called Victory in the California desert. The land is

owned by Jack's employer, the Victory Project, which has brought its staff and their spouses to live in this oasis of irrigated and manicured lawns while working on top-secret engineering projects. Every morning, Jack heads off to work with a full stomach from a perfect breakfast and returns that evening to dinner on the table and his glowing wife all but begging him for sex.

From the outset, it's clear that something is off about Victory's glossy, hyperreal suburban utopianism and denizens. But Wilde doesn't bother trying to escalate a sense of unease, as the film is installucinatory visions that startle Alice out of her bliss, and Don't Worry Darling's sole Black woman with any dialogue, Margaret (KiKi Layne), gives an early warning that everything is all wrong with a terrified speech that's practically a mirror copy of LaKeith Stanfield's petrified outburst in Jordan Peele's film.

Now Is AVATAR: THE WAY OF WATER available to stream? Is watching AVATAR: THE WAY OF WATER on Disney Plus, HBO Max, Netflix, or Amazon Prime? Yes, we have found an authentic streaming option/service written by Katie Silberman. living with her husband in

There is still some pressure on Sony: Avatar 2: The Way of Water 's box office to be good enough to keep James Cameron's sequel plans alive. He is attached to make three more sequels, with Avatar 3 already completely filmed. Some work is also done on Avatar 4. However, the director has admitted that if the sequel's box office disappoints and indicates audiences are not interested, Avatar 3 could be the end of the franchise. In that fashion, Avatar: The Way of Water's box office will play a

huge role in determining what comes next for James Cameron's movies.

After 10 days on the big screen, Disney and 20th Century's big-budget epic "Avatar: The Way of Water" is the fifth-highest grossing movie of the year with \$855 million in global ticket sales. So far, James Cameron's long-delayed sequel has generated \$253.7 million at the domestic box office and \$600 million internationally. Even with harsh winter weather in North America and rising cases of COVID, RSV and the flu across the world, the "Avatar" sequel is expected to bring in strong grosses in the coming days. By the end of the year, the \$350 million budgeted tentpole is aiming to hit the \$1 billion mark. It's a benchmark that only two other movies, "Top Gun: Maverick" and "Jurassic World Dominion," have managed to hit in 2022.

Outside of North America, "Sony: Avatar 2: The Way of Water " has enjoyed the strongest turnout in China with \$100.5 million, followed by Korea with \$53 million, France with \$52.3 million, India with \$37 million and Germany with \$35.7 million. There are several reasons why the follow-up film will struggle to reach the heights of its predecessor, which is the highest-grossing release in history with \$2.97 billion worldwide. For one, the worldwide box office hasn't fully rebounded from the pandemic, and important markets like China are experiencing a resurgence of the virus. Moreover, the sequel won't be playing in Russia, where the original grossed \$116 million. Imax has contributed a notable portion of global ticket sales, with \$97 million coming from the company's premium screens. Like the original, pricier Imax and 3D tickets are expected to boost overall revenues for "Sony: Avatar 2: The Way of Water ."

"Avatar: The Way of Water' is showing the strong endurance at the global box office we expected, particularly with its phenomenal performance internationally where several key markets grew their grosses over opening weekend," said Rich Gelfond, CEO of Imax. "Our screens remain the destination of choice to experience this one-of-a-kind film." Sony: Avatar

Here’s what you need to know about the terrifying new film Sony: Avatar 2: The Way of Water.

How to Watch Sony: Avatar 2: The Way of Water for Free?

Sony: Avatar 2: The Way of Water was initially scheduled for an October 6, 2022
theatrical release, but IFC Films ended up pushing it back a few weeks to October 30,.
No reason was cited for the Move, but early September is a favored date for horror
releases. Hit films like The Nun, The Visit,
Insidious Chapter 2, and the IT films were all released in early September to tremendous
Success.

Sony: Avatar 2: The Way of Water is finally out in theaters, but you’ll want to watch it at
home. Where is Avatar: The Way of the Water streaming online?

It’s been a long time coming, but Sony: Avatar 2: The Way of Water is finally in theaters
so you can head there to watch it. Of course, many people still want to watch movies
from home. You’re in your comfort zone and it ends up cheaper. With the rising costs of
everything, you want to keep your entertainment budget down.

Now you just need to know where you can watch this second Avatar movie. Is it possible
to watch Avatar: The Way of the Water on Amazon in any way?

Is Avatar: The Way of the Water on Prime Video?

We do start the post with some bad news. This is not a movie on Prime Video at the
moment, and it’s not likely to head to Prime Video any time soon.

It’s a 20th Century Studios movie, and those movies head to Disney+ and Hulu. The

2022 movies have headed to HBO Max, and there is a chance that this movie will head there for a short period of time as it will be classed as a 2022 movie.

Is Sony: Avatar 2: The Way of Water on Amazon Video?

What about a Digital release? This is where we have some good news. There is a chance that you'll be able to watch the second Avatar film on Amazon Instant Video very soon. After all, this is sure to get a Digital release.

We're just not sure when the Digital release is going to happen at the time of writing this. It's going to be based on the DVD release, and we don't have a date for that yet. Many 2022 movies from this studio came to DVD after just two months in theaters. With the anticipation of Avatar: The Way of the Water, we may not see that two-month turnaround time. If we do, though, the Digital release is likely to happen this month.

As mentioned above, the dark fantasy is only released theatrically as of now. So, people who wish to watch the movie free of cost will have to wait for its release on a platform that offers a free trial. However, we encourage our readers to always pay for the content they wish to consume online and refrain from using illegal means. Sony: Avatar 2: The Way of Water
