this is an easy straightforward way to earn money and inbox dollars has already paid out 57 million to its user base the platform does tailor the surveys to your circumstances so if you don t meet the average you may be restricted to fewer survey opportunities however the company does have lots of new surveys coming online continually

the amount of points you receive can also vary according to the survey but once you accumulate sufficient points you can redeem them when you cash out you can choose walmart gift cards or check payments

if you have a prescription for or that can be filled by generic medication don t pass up walmart s 4 prescription program this program provides up to a 30 day supply of many drugs for just 4 and for some you can take home a 90 day supply for 10

there s a good chance the scam won t stop with one inflated charge your account could be hit again in the future without warning of course you can dispute fraudulent credit and debit card charges but it s a hassle and that s assuming the debit card fraud doesn t drain your account or cause legitimate transactions to bounce that s a whole other level of mess

walmart scammers can do serious damage either by tricking you into sending them money or using your personal information to steal your identity if you want to stay safe you need to proactively protect yourself against the latest walmart scams

rollbacks or temporary price reductions on items are how walmart signals that an item is on sale this cost savings tool for customers is important since walmart generally keeps its prices consistent and doesn t offer as many coupons promotions or sales events as other retailers do so while you can stack manufacturer s coupons or other promotional discounts alongside walmart s everyday low prices a rollback price is often one of the better prices on an item you can achieve

the pin is a four digit number that can be found on the back of your walmart gift card it is located above the barcode if you scratch off the silver strip on the back of the card you will reveal your pin do not worry if you accidentally scratch off too much you can still use your card just take it to any walmart store and the associate will be able to help you out
